

The Yun Family's Ninth Child is an Imp! Chapter 3026

Yun chujia called Sheng Zun a few more times, but Sheng Zun still showed no signs of waking up.

Hei Xinjiu didn't dare to feed Sheng Zun any medicinal pills. It would be bad if it backfired. She didn't want to take the opportunity to kill Sheng Zun. After all, without Sheng Zun, she wouldn't be able to leave the fallen God Abyss, and she wouldn't be able to return to the immortal Yuan continent.

Hei Xinjiu looked around. Other than many spiritual plants that she had never seen before, this place seemed to be an ordinary valley. Was this the fallen God Abyss?

Just as Hei Xinjiu was looking around, she heard Sheng Zun make a soft sound. He seemed to be in great pain.

She looked down and was surprised to find that Sheng Zun's body was covered in a layer of frost. The Frost was getting stronger and stronger, almost forming a layer of solid ice.

F * ck!

What was going on?

Could This Crazy Sheng Zun be a spirit carved out of ice?

While Yun Chujiu was in a daze, Sheng Zun's body had already formed a layer of solid ice. This guy took out a rolling pin and started to hit the solid ice on Sheng Zun's body.

This guy could not help but be secretly happy. This was similar to hitting a frozen fish!

Hei Xinjiu suddenly frowned. Wasn't this Sheng Zun a fire spirit root? Why was he surrounded by solid ice?

She picked up Sheng Zun's right hand and looked at it carefully. There were still no patterns on it.

This guy sighed. Was he really not a gigolo? Although she thought that this Sheng Zun was too black-bellied! It didn't seem like di Beiming's personality at all, but her sixth sense told her that this person was di Beiming! Otherwise, she wouldn't feel at ease to be alone with a man in the carriage.

Hei Xinjiu felt that she was about to become mentally ill! How could she prove that he was a gigolo?

Hei Xinjiu looked at Sheng Zun's lips and had an idea!

F * ck, wouldn't she know after a kiss. Although she was not sure what di Beiming's lips looked like, she still knew how to feel them. After all, she had kissed him countless times.

Therefore, this guy leaned over to the face of Sheng Zun. At this moment, Sheng Zun opened his eyes..

Hei Xinjiu:"..."what should I do if I'm found out that I'm kissing a man? She was waiting online, and it was quite urgent!

"You actually took advantage of the situation and wanted to take advantage of me? If you want to kiss me, just say it. Why do you have to be so sneaky? Do you like this tone?"Although Sheng Zun spoke weakly, his tone was still very annoying.

Hei Xinjiu's thick skin that had been thick for thousands of years turned red. After some psychological preparation, she said, "I don't want to kiss you." She said righteously, "Bah! Who Wants to kiss you? I want to see what's wrong with you! Why don't we observe you to confirm the diagnosis? By the way, What's wrong with you?"

Sheng zun smiled bitterly, "I didn't expect that my old wounds would recur at this critical moment. I'm afraid that we won't be able to live. I told you to stay on top, but you didn't. Now, do you regret it?"

Yun Chujiu knocked the ice on Sheng Zun's body while saying, "Why should I die? ! Even the God won't accept a disaster like me! However, according to you, is it very dangerous in here?"

Sheng zun nodded with difficulty, "Let's find a place to stay first. Otherwise, I will drag you down when we are in danger."

Yun chujiu had no choice but to carry Sheng Zun on her back and walk forward. Sheng Zun's body was so cold that Hei Xinjiu felt like she was carrying a huge block of ice on her back.

It was not easy to find a cave.

Yun chujiu quickly lit a bonfire in the cave, hoping to slow down Sheng Zun's freezing speed. However, it was useless. Sheng Zun's body was still freezing.

Hei Xinjiu knocked on the ground with the rolling pin as she asked the lord, "Aren't you a fire spiritual root? Can't you use your spiritual power to dissolve the ice?" Sheng Zun asked
