

## The Yun Family's Ninth Child is an Imp! Chapter 3027

Sheng Zun did not answer Yun Chujiu's question. Instead, he said, "If you will die here, what is your wish?"

Yun chujiu glared at Sheng Zun. "Bah Bah Bah Bah! I will not die! I still want to have a baby with my gigolo! I still want to Find My Qi Qi!"

Sheng Zun's eyes flashed with pain. "What if your fiancé dies?"

"Shut up!" Yun chujiu hammered Sheng Zun with the rolling pin in her hand. "The Pretty Boy will not die! You will die if he dies!"

Sheng Zun did not even have the strength to dodge, so he could only let Hei Xinjiu pound him. He sighed and said, "I mean, if he dies, what will happen to You?"

"If he dies, so be it. Do I have to die with him? "He is not the only crooked tree in this world. I will find someone else to marry "It is not easy to find a three-legged toad. There are plenty of people with two legs," Hei Xinjiu said indifferently, a hint of cunningness flashed in her lowered eyes.

The Lord was instantly stunned. He looked at Yun chujiu with a complicated expression and said, "Good, good, well said."

Hei Xinjiu looked at Sheng Zun with a smile and said, "I think you are quite good. Why don't I just make do with you? We are going to die anyway, so don't waste time. Come, let me help you take off your clothes."

Sheng Zun's eyes flashed with anger. "You, you are Shameless!"

"Shameless? I have more shameless things! Come, don't be shy. You are going to be frozen into ice anyway. Let Me Hug You. Maybe I will melt your ice with my passion!"

Hei Xinjiu went to untie Sheng Zun's clothes as she said that. Sheng Zun snorted in his heart. Little Girl, I must force you to tell me the truth! I couldn't defeat you before, but now I have a hundred ways to make you tell me the truth.

Sheng Zun was obviously going to be frozen to death, but he was sweating profusely. Of course, his sweat turned into ice immediately.

Sheng Zun saw that Hei Xinjiu was going to be serious, so he gritted his teeth and said, "Stop!"

"Stop? Why should I stop? I want to do something shameful with you now! Although it's inconvenient for you to wear this mask, it's okay. As long as you have a good figure, I don't mind."

Hei Xinjiu said and deliberately glanced there. Sheng Zun was so angry that the veins on his forehead popped up. "Little Jiu, Stop!"

"Little Jiu? Aiyo, you're calling me by my nickname? This means that you're still very willing! Come on, this fallen God Abyss will be our new house! Today will be our wedding night!"

Hei xinjiu stretched out her claws and began to untie Sheng Zun's clothes. As she did so, she said, "Don't be nervous, my fiancé is a fool!"

"He won't find out about us. Even if he does, since you're so powerful, just kill him! "Anyway, I've been displeased with that arrogant guy for a long time."

Sheng zun roared angrily, "Hei Dong, shut up!"

"Aiyo! Sheng Zun, you're really my lover! You even know my nickname? "This is really fate. Let's hurry up and finish the job before you die!"Hei Xinjiu said slyly.

Sheng Zun sighed dejectedly. "Little Jiu, stop fooling around!"

Hei Xinjiu stood up abruptly, her eyes reddened. "Stop fooling around? Is it fun to play with me? ! Do you think it's fun to play with me as a Fool? Do you think it's fun to play with me? What do you take me for?"
