

The Yun Family's Ninth Child is an Imp! Chapter 3028

Sheng Zun immediately panicked!

He gritted his teeth and said, "Little Jiu, this matter is indeed my fault. At the beginning, I was angry that you didn't listen to me and participated in the Yan clan's matter, so I planned to teach you a lesson.

"However, later on, I discovered that my old illness was showing signs of acting up, so I planned to hide it from you. After I brought you back to the immortal Yuan continent, I would find a reason to break up with you. This way, my death wouldn't make you too sad."

Yun chujiu sneered, "Hide it from me?" "Haven't you kept a lot of things from me?" "You lied to me in the name of my own good. Do you think I will accept your favor?" "Just wait for your death here!" "I don't want to see you for even a quarter of an hour!"

Sheng zun said dejectedly, "It's Okay if you blame me, but this place is full of dangers. You should stay here. I will protect you no matter what."

"Bah! I Don't Care!" Hei Xinjiu said angrily and left the cave.

Sheng Zun wanted to stop her, but his body was covered with a layer of ice and he couldn't move at all.

Sheng Zun, who was also di beiming, was filled with regret and regret. He regretted that he shouldn't have been in a hurry to break another seal. If this seal hadn't been broken, his old illness wouldn't have flared up.

He hated that up until now, only a small part of his seal had been removed. Many things were still confusing. He did not even know who his real enemy was!

Now, he had dragged the person he loved into a dangerous situation. There was no way he could protect her. He simply did not deserve to be a man!

If he had known that his old illness would flare up so quickly, he would have chased her away from the palace instead of calling her back.

The ice on di beiming's body was getting thicker and thicker. It was as if even his thoughts were frozen. In his daze, he saw Yun Chujiu return..

When di beiming regained consciousness again, he realized that although his body was still very cold, the speed of the ice forming was much slower than before.

His body was wrapped in countless layers of the nine-tailed fox's fur, just like a dumpling.

There were several bonfires in the cave. One of the bonfires was still roasting meat, but there was no one there. Di Beiming's heart stopped. Where was little nine?

Di beiming wanted to stand up, but he did not have any strength on his body. Furthermore, his body was wrapped in layers of fox fur. After struggling for a long time, he only managed to move forward a little.

What was even more tragic was that because of his struggle, sparks splashed onto the nine-tailed Fox's fur. Instantly, the cave was filled with the smell of burning.

Di beiming had no spiritual power now. He could only watch as the flames began to spread rapidly. He smiled bitterly. Was this retribution?

However, it was also good. If he died like this, he would not drag little jiu down.

Just as DI Beiming's thoughts were running wild, he was splashed with a few basins of water. Then, he heard Yun chujiu's angry voice, "It's okay if you want to die. Don't spoil my fox fur. It's very valuable."

"Little Jiu..."

"Shut up! I don't want to talk to you now, and I don't want to listen to you," Hei Xinjiu said angrily.

“Little Jiu...”

“Don’t you understand human language? Shut Up!”

“Sigh, Little Jiu, I just want to tell you that the meat is burnt,” di beiming sighed and said.

Hei Xinjiu then realized that the piece of roasted meat had turned into a piece of charcoal. There was no way to eat it.

Hei Xinjiu glared fiercely at di beiming. “It’s all your fault! Scram to the side!”

Hei Xinjiu said as she kicked di beiming, and the pitiful one was kicked to the side like a ball.
