

The Yun Family's Ninth Child is an Imp! Chapter 3030

Hei Xinjiu looked at di beiming in disdain. "How are you going to retrieve something if you don't even know what it is? I think you are getting more and more stupid!"

A certain someone felt guilty and did not dare to retort even though he was being called stupid. Instead, he echoed, "You are right. I am indeed getting more and more stupid. I should not have brought you to the fallen God Abyss and dragged you down instead."

When Yun chujiu heard di Beiming's words, she moved closer to di beiming and stared at him closely. She was getting closer and closer. A certain someone could even count how many eyelashes Hei Xinjiu had.

A certain someone's heart palpitated. Could it be that little jiu wanted to kiss him? Was She not angry anymore?

The tip of a certain someone's ears could not help but turn red. A faint anticipation rose in his heart. Previously, he was afraid of being exposed and did not dare to have any thoughts. Now that the truth was out, he was naturally filled with joy to be able to kiss his sweetheart.

Unexpectedly, Hei Xinjiu's target was clearly not his lips, but his neck.

Hei xinjiu bit the man's neck hard, and the man grimaced in pain. However, he felt guilty and could only grit his teeth and endure it, he even said, "Bite! As long as you can vent your anger, it's fine. Just don't Clench Your Teeth, or else my heart will ache."

Hei Xinjiu:" ..."

Holy Sh * t! ! The gigolo seemed to have become black-bellied after the seal was lifted this time? ? ! How could she continue biting him when he said that?

Hei Xinjiu let go of her mouth and snorted coldly, "Gigolo, I'm telling you seriously. Listen carefully! I'm not afraid of being implicated, and you shouldn't make decisions on my behalf.

"If you treat me as your fiancée, tell me everything and let me make my own decisions. "Just because you think you're good to me doesn't mean you're good to me, You Idiot!"

If a certain someone had heard Hei Xinjiu calling him a gigolo and an idiot, he would have exploded. But now, he felt guilty and could only say with a smile, "You're right. Everything you say is right. It's all my fault."

Hei Xinjiu:" ..."

F * ck!

The gigolo who had unlocked a new skill seemed to be very difficult to deal with!

Di beiming saw a wound on Yun Chujiu's arm from the corner of his eye. Although the wound was no longer bleeding, he could still tell that it was cut by a sharp weapon not long ago.

Di Beiming's heart ached and his voice trembled, "Little Jiu, did you feed me your blood again?"

"Humph! I was waiting for you to be my slave! Of course, I can't let you die so easily!" Hei Xinjiu said stubbornly.

Di beiming had a thousand words in his heart, but he didn't know what to say. He just looked at Yun chujiu with an expression.

Hei Xinjiu felt a little uncomfortable under di beiming's burning gaze. She changed the topic and said, "You said it's very dangerous here. What exactly is the danger?"

Di beiming then retracted his gaze and said, "I'm not too sure about the specific danger. In short, it's a very dangerous feeling. We should be careful. If we encounter danger, you..."

Di beiming originally wanted to say that if he encountered danger, he would not let Yun Chujiu care about him. He would just run for his life. However, when he recalled what Yun Chujiu said earlier, he swallowed the rest of his words, he changed his words, "If you are in danger, you must be careful."

Hei xinjiu nodded and took out hot porridge from her storage ring and fed it to di beiming.

Of course, he did not forget to take revenge during the feeding process:

"You are so stupid! You can make porridge everywhere. Are You Stupid?"

"Do you know the etiquette of eating? Don't you know that you can't make a sound when you are eating porridge? What a waste!"
