

The Yun Family's Ninth Child is an Imp! Chapter 3041

Tun Tianhu: "..."

Didn't they say that Miss Hu would become Er Hu?

However, she didn't expect that stupid cow to be so heroic. It didn't seem to be that useless.

Seeing this, Yun Chujiu didn't say anything more. It was obvious that Tun Tianhu was starting to loosen up. It wouldn't be good to force it.

Hei Xinjiu said with a smile, "You two make your own decisions. Let's continue moving forward. Let's Go!"

As a result, there was another Tun Tianhu in Hei Xinjiu's team. Yes, Miss Erhu.

It was fine if the Bull Lion Beast had not awakened before, but now that it had awakened, the Tun Tianhu looked beautiful no matter how one looked at it. Its two bull eyes stared at the Tun Tianhu non-stop.

The Tun Tianhu was very shy from being stared at, and its head was about to sink into the ground.

Hei Xinjiu sat on the back of the bull, hugged Di Beiming, and said with a smile, "Little beauty, look at this bull having feelings. Doesn't the tiger have any thoughts about the scene?"

Di Beiming's eyes twitched, "I don't have any thoughts. What do you have in mind?"

Hei Xinjiu lowered her head as her eyes sparkled. She said seriously, "I want to kiss you."

As it was daytime, di Beiming's health was better. When he heard Yun Chujiu's words, his eyes darkened. He suddenly raised his hand and pulled Hei Xinjiu towards him. His lips carried a chill as he attacked the city..

Hei xinjiu, who had brought this upon herself, was soon kissed until she was dizzy. She did not know where she was going!

However, this guy did not lose in battle. After he was finally let off by di beiming, he said casually, "Little beauty, you are very enthusiastic today. I am very satisfied. I will reward you handsomely!"

Di beiming was so angry that his eyes were burning. However, after the previous struggle, he had used up all his strength. He could only glare at Hei Xinjiu.

At this moment, the sky had already darkened. Yun chujiu chose a place to shelter from the wind. She took out an all-purpose tent and carried di beiming inside.

As the night deepened, di Beiming's condition started to deteriorate again. Yun Chujiu's warning did not have any effect.

Yun chujiu could only force di beiming to drink some of her blood. Only then did he improve slightly.

Yun Chujiu's brows were tightly knitted. The reason why she had been teasing di beiming these past few days was firstly because she really wanted to teach di beiming a lesson. Secondly, she wanted to see if she could suck the remaining things over by kissing him, however, it did not have any effect.

Yun Chujiu had once communicated with Guai Cao, but guai Cao could not speak. Yun chujiu could only understand the meaning of its gestures. The gist of it was that it was still too weak. If those things did not take the initiative to attack.., it had no way to suck it in for the time being.

Yun chujiu could not help but smile bitterly. What was this! !

There was a dog's tail growing in her dantian. No matter what, it could help her occasionally. The thing in the gigolo's body did not even know what was inside. It was simply F * cking dog!

Now it seemed that she could only wait for guai Cao to become stronger, or for the gigolo to break the seal again and find a way to get rid of those things.

Yun chujiu saw that di beiming's lips were blue and purple from the cold, and her heart ached. She took off her coat and hugged di beiming again.

The poor one was shivering from the cold, but its heart was burning like fire. It was simply indescribably sour..

Outside the tent, the Bull Lion Beast looked at the sky-swallowing tiger lovingly. The sky-swallowing tiger lowered its head, looking shy..

Meng Yanshou squatted beside the tent and felt that he had nothing left to live for! Other people always paired up, but he was the only single beast. It was simply torturing him to death!
