

The Yun Family's Ninth Child is an Imp! Chapter 3042

The next morning, Yun Chujiu and di beiming had a simple breakfast. They climbed onto the back of the bull once again and headed towards the depths of the fallen God Abyss.

In the next few days, Hei Xinjiu's strategy was to bluff as many demonic beasts as she could. If she couldn't bluff them, she would get the Bull Lion Beast and the rest to gang up on them and establish a temporary contract.

Of course, there were also those who were accidentally killed, so she would reward the Bull Lion Beast and the others.

Meng Yanshou squatted on the back of the bull and looked at the bunch of ancient demonic beasts following behind him. The shock in his heart was beyond words!

Oh My God! How could she play like this?

After walking for such a long time, other than moving her mouth, this black-hearted little girl was hugging the Sheng Zun and showing off her love. What happened in the end? Not only was she fine, but she had also recruited a group of thugs. It was simply unbelievable.

Moreover, this black-hearted girl seemed to have gone crazy. Along the way, she had already set up several pairs of demonic beasts. Damn it, seeing them pair up in pairs, it was simply torturing!

On this day, Hei Xinjiu successfully fooled another heaven-devouring lion. When di beiming saw the heaven-devouring lion, his ears inexplicably heated up. He recalled what Hei Xinjiu had said dozens of times a day, suddenly, some images appeared in his mind..

Hei Xinjiu noticed that di beiming's head was emitting white smoke. She asked curiously, "Little Beauty, I'm not angry with you today. Why are you angry again?"

When di beiming heard Yun Chujiu's question, his neck turned red instantly. "I'm trying to see if I can mobilize my spiritual power. Just do your thing."

Hei Xinjiu didn't doubt it. She didn't expect that a certain master had gone astray..

Hei Xinjiu then asked the heaven-devouring lion, "What Kind of Demonic Beast's territory is it?"

The heaven-devouring lion showed a terrified expression. "Little Fairy, please don't go any further!" "If you go any further, it's a barren place. Some low-level demonic beasts in my territory accidentally entered by mistake. They almost bled to death the moment they stepped into that area. It's too scary!"

Yun chujiu frowned. "It sounds quite scary. What happens after we pass through the area?"

"I once climbed up the mountain and saw that the area was a lake filled with golden lotuses. It was simply too beautiful. "However, I'm afraid that danger lurks everywhere inside,"said the heaven-devouring lion.

Golden Lotuses? It was probably the thousand-leaf golden-grade Lotus! That was great!

Hei xinjiu said excitedly, "Let's go to the edge of the place you mentioned."

Although the heaven-devouring lion was extremely unwilling, he could only lead Hei Xinjiu and a bunch of demonic beasts forward.

Before they reached the death zone mentioned by the heaven-devouring lion, the demonic beasts were already out of breath. It was as if there was a huge pressure enveloping them. It was too terrifying!

Hei Xinjiu waved her hand and signaled the Demonic Beasts to stop.

Di beiming frowned, "Little Jiu, this is probably the scariest thing in my memory, the pressure of God."

Meng Yanshou said, "That's right. Your Excellency Is Right. This should be the legendary pressure of God. Little Fairy, it seems that we have no way to enter."

Yun chujiu narrowed her eyes. Pressure of God? She was not even afraid of the pressure of Tian Dao, so why would she be afraid of this Bullsh * t pressure of God? ! If the god was extinct, how much pressure could be left behind? !

Hence, this fellow jumped off the back of the ox and took a few tentative steps forward, but nothing happened! He jumped a few more times, but nothing happened..
