

## The Yun Family's Ninth Child is an Imp! Chapter 3043

Meng Yanshou's eyes were wide open. Aiyo, how was this possible? How could that black-hearted little girl be completely fine?

That was the pressure of the gods!

It was said that this fallen God Abyss was the final place where the gods fell. Although the gods had already been destroyed, their remaining pressure was still there. Not to mention that little girl, even if the Lord did not have an old illness acting up, he would still need to spend a lot of effort to pass through.

However, that little girl was not only fine, but she could even jump around? What the hell!

The heaven swallowing Mad Lion and the other demonic beasts were also dumbfounded. That little girl was simply Inhuman! How could she be completely fine! !

A trace of surprise flashed across di Beiming's eyes. Although he knew that Yun Chujiu had many strange features, he did not expect that she could even withstand the pressure of God.

Yun chujiu hopped forward for some distance, and when she found that nothing had happened, she returned with a smile.

"Little beauty, it's no problem for me to pass. I can also put these demonic beasts into the spirit beast bag, but what about you?" Hei xinjiu tilted her head and asked di beiming.

Di beiming was not stupid. He naturally saw that Hei Xinjiu was showing off and showing off, he snorted coldly, "Anyway, there are still five more days before the fallen God Abyss closes. Perhaps my body will recover in another two days. Let's stay nearby for now."

Yun chujiu pouted, "Don't you know that you have to be careful when doing things? What if something else happens? Therefore, there's no time to lose. It's best to pass through this place immediately. "Little beauty, don't worry. I've thought of a way to protect you."

Di beiming was stunned. "What Way?"

"I'll put up a spiritual energy shield to protect you. It shouldn't be a problem. Let's try it first," Hei Xinjiu said.

Di beiming was so angry that he laughed!

"Little Jiu, you're thinking too simply! If the spiritual energy shield works, will those demonic beasts die tragically?"

Even if di beiming objected, there was no way for him to escape Hei Xinjiu's demonic claws, so he could only be carried on Hei Xinjiu's shoulder.

After Hei Xinjiu put up the spiritual energy shield, she took a few tentative steps inside and asked, "How is it? Is it uncomfortable?"

Di beiming was shocked. It really worked?

Seeing that di beiming was fine, Hei Xinjiu was so smug that she didn't know what to do!

This guy was so proud that he accidentally removed the spiritual energy barrier. When he reacted, he found that di beiming wasn't abnormal.

The two of them looked at each other. This world was so strange..

Seeing that Yun chujiu and di beiming were fine, Meng Yanshou also jumped over. Then, he died!

Half of Meng Yanshou's soul floated out of the rabbit's body that was already in a terrible state. He said with a hopeless expression, "Little fairy, can you change my body? eh? I think Daniel and the others have good bodies. I'll choose one!"

The heaven-swallowing Mad Lion and the other demonic beasts trembled in fear. What kind of monster was this?

Hei Xinjiu walked out of the death zone and took out another wind-blade rabbit from the Great Void Mystic Realm. "Stop talking nonsense. If you don't want to run, continue to be a rabbit for me!"

Just as Meng Yanshou was about to argue, he saw di beiming's cold gaze and immediately obediently continued to be a rabbit.

Yun chujiu kept the Demonic Beasts and the nightmare beast into her spirit beast pouch and carried di beiming forward.

Hei Xinjiu asked di beiming as she walked forward, "Can you sense the important thing you mentioned?"
