

## The Yun Family's Ninth Child is an Imp! Chapter 3045

Hei Xinjiu looked at Yuan Sha with contempt and opened the green jade bottle in her hand. A huge demonic beast appeared in front of Yuan Sha.

The demonic beast looked like a tiger, but it had a pair of slightly curved fangs. Its tail was very thick and there were sawteeth on it.

Yuan Sha took a few steps back in shock. "Tao Wu? How, how did you get the remnant soul of Tao Wu?"

Yun Chujiu was stunned. Damn it, she took the wrong one! She wanted to release those remnant souls, but why did she release Tao Wu? Speaking of which, Tao Wu seemed to have solidified a little more than when she first brought it in.

This fellow thought that since Tao Wu's remnant soul had solidified, maybe the stupid, stupid, and ferocious Qiong Qi could be released too. Hence, she opened another porcelain bottle.

Qiong Qi flew out, but the fallen god Abyss forbade flying. He fell to the ground with a thud. Fortunately, his remnant soul did not fall.

Qiong qi grinned and said, "Little Fairy, you are getting worse! The moment I came out, you made me fall. I really like you!"

Hei Xinjiu:" ..."

It was indeed a familiar formula and a familiar smell. This fellow still deserved to be scolded!

Qiong Qi turned around and saw Tao Wu. This fellow's mouth opened even wider. "Little Fairy, you're really too bad! You actually captured this trash Tao Wu? hahaha! I knew you were the worst person!"

Yun chujiu looked at Qiong Qi speechlessly. Such a strange looking ferocious beast was really a weirdo!

Yuan sha cried out in shock, “You, how do you have the remnant souls of Tao Wu and Qiong Qi? Impossible! Haven’t their souls already dissipated?”

Yun Chujiu’s heart skipped a beat and she probed, “Their souls have dissipated? Don’t spout nonsense! Tao Wu and Qiong Qi are the four great ancient ferocious beasts, how can their souls dissipate! who could have such abilities?”

Yuan sha snorted coldly, “What an ignorant little girl, what do you know? Back then, HMPH! Forget it, I won’t stoop to your level. If you return the way you came, I’ll spare you.”

Yun chujiu originally wanted to get information from Yuan Sha, but now that Yuan Sha was unwilling to speak, she knew that she wouldn’t be able to get anything out of him. Hence, she said, “Both of you are ancient ferocious beasts. Today, I will see which of you is stronger and kill it!”

Tao Wu and Qiong Qi looked at each other. When they were alive, they had been secretly competing with each other. Now, they naturally didn’t show any weakness and pounced towards Yuan Sha.

Yun Chujiu was afraid that things might change if it was too late, so she summoned a group of piglets to help.

Qiong Qi grinned happily!

“Little Fairy, did you release a group of piglets to create trouble for us? You are too bad! You even cheated your own companions. I love you to death!”

As soon as Qiong Qi finished speaking, it felt a cold gaze staring at it. Only then did it notice that there was a man sitting beside the little girl.

The man wore a silver mask on his face. Although his facial features could not be seen clearly, his sharp gaze was like a knife! Qiong Qi suddenly shivered. Its eyes were wide open. Oh God, it was actually that person? !

No, it must have sensed wrongly! This was impossible! It must have been stuck in the porcelain bottle for too long, so its eyes were blurry. Yes, that must be the case.

When Qiong Qi came back to his senses, da Hua had already slowly appeared out of thin air!

Qiong Qi's big eyeballs almost popped out. He looked at Da Hua in disbelief. God, how did this foodie become like this?
