

The Yun Family's Ninth Child is an Imp! Chapter 3046

Da Hua looked at Qiong Qi as if he was looking at an idiot, ignoring him.

Qiong Qi felt that the entire beast was in bad shape. It must have been locked up for too long, and its brain was damaged! Could it be that the black-hearted little fairy had tampered with it, and that was why it was hallucinating? Such a wicked little fairy was really too cute!

Yuan Sha was also quite shocked when it saw da Hua. What the hell was this thing? !

Yuan sha gritted his teeth. Their strength was not even 1/10,000 of their original strength, so what was there to be afraid of? !

Thus, the four of them engaged in a chaotic battle!

Of course, Da Hua's endurance was unlimited. After it disappeared, it lazily reappeared a moment later!

Qiong Qi's mouth was wide open and he was happy again!

Oh My God, it can be played like this? It's so fun! The little fairy really knows how to play! This beast likes her so much! How can there be such a bad person in this world? It's so magical!

Hei Xinjiu looked at Qiong Qi speechlessly and smiled like a fool. How could such a thing be considered an ancient beast? It was simply an idiot!

Yuan Sha became more and more frustrated as they fought. Tao Wu and Qiong Qi were even bigger than a horse. No matter what, they were the remnant souls of ancient ferocious beasts. The most detestable one was the pig that kept jumping out!

It was useless even if they were scattered. After a while, it would jump out again. It was extremely detestable! Although that pig's spiritual power was not particularly high, it was extremely sinister. It was extremely detestable for it to secretly attack!

It could not go on like this. It had to think of a way, or else it would definitely lose! It was not easy for it to develop its spiritual sense and cultivate such a skill. It could not die just like that, absolutely not!

Yuan Sha looked at Hei Xinjiu coldly. Its hair suddenly grew and rolled towards Hei Xinjiu.

Yuan Sha's idea was very simple. To catch a thief, one had to catch the leader first. As long as he could control that wretched girl, the rest would not be a problem.

Yun chujiu did not expect Yuan Sha's hair to be a weapon. Although she had the spiritual energy shield, it was obviously unable to block Yuan Sha's attack. She also had to protect di beiming, so she was instantly entangled by Yuan Sha's hair.

Yuan Sha exerted force and Hei Xinjiu was pulled to its front. It grabbed Yun Chujiu's neck and said coldly, "Stop, or I'll kill her."

Tao Wu, Qiong Qi, and Da Hua had no choice but to stop, qiong qi grinned and said, "You Idiot! The little fairy is full of evil intentions. Just wait for your bad luck! Little Fairy, don't worry. We know that you were caught by it on purpose. We Won't Save You. You have to work hard! We have high hopes for you!"

Yun Chujiu:"..."

Damn it! ! How could she have such a brainless beast? ! She really wanted to strangle it to death!

Seeing that Yun Chujiu was swept away by Yuan Sha, di Beiming's eyes turned red, but he could not even stand up. Anger, regret, and pain filled his entire body!

Yuan Sha grabbed Hei Xinjiu's neck and laughed shrilly proudly, "Damn girl, I have to thank you properly! Not only did your soul become my food, but the remnant soul of the ancient beast was also a great tonic for me!

"Maybe I will become the Yuan Sha very soon. Hahaha, this is all thanks to you!

"Of course, that man is also mine! "Such a top-notch man is really hard to come by. In the future, I can finally enjoy the joy of Life!"

Yuan Sha tightened his grip as he spoke. Just when Tao Wu and Da Hua were about to attack, they felt a bone-chilling chill.

They turned around and saw Di Beiming standing up from the recliner. However, his eyes were bloodshot and he exuded a chilly aura.
