

The Yun Family's Ninth Child is an Imp! Chapter 3047

Yuan Sha was shocked by di Beiming's murderous aura. Before it could react, di beiming waved his hand and Yuan Sha's body turned into ashes uncontrollably.

Tao Wu:"..."

Qiong Qi:"..."

Da Hua:"..."

Hei Xinjiu:"..."

Where was the group fight? Where was the agonizing pain? Where was the 300-round battle?

Was it over just like that? A one-hit kill?

There was no sense of accomplishment, alright? !

Di beiming glanced at Hei Xinjiu, who was sitting on the ground and gasping for air, and said coldly, "Come Here!"

Hei Xinjiu had wanted to use the kitchen knife to cut Yuan Sha's hair, but Yuan Sha's hair blocked her spiritual power, so she had no way to use the kitchen knife.

If she had known earlier, she would not have kept the kitchen knife in her storage ring.

Hei Xinjiu stood up, took out the kitchen knife and put it on her waist. Then, she jumped towards di beiming, "Little Beauty, thank you! Otherwise, I would have died!"

Hei Xinjiu said it out loud and realized that something was wrong. Unfortunately, it was too late!

Di beiming pinched Hei Xinjiu's chin and his gaze was as cold as ice. "What did you say just now?"

Hei Xinjiu gulped. F * ck, could it be that this gigolo had unlocked another layer of seal? Was it an iceberg this time? Or was it an iceberg that would not melt for thousands of years?

This guy had always been flexible. He said obsequiously, "Prince Charming, I said that my little beauty is lucky to be saved. Otherwise, I would be dead."

"Is that so? What's wrong with me?"

"Me, me? I'm talking about me. I call myself 'Me'in Front of you. Well, that's it." Hei Xinjiu rolled her eyes, it was better to be careful before figuring out the situation. Who knew whether this newly-made pretty boy would punish her regardless of their old friendship? It was better to be careful.

Di beiming frowned and turned to look at Tao Wu and the other two. He asked coldly, "Did she just say 'Me' or 'me'?"

Seeing that the situation was not good, da Hua crashed into Qiong qi and disappeared.

Qiong Qi: "..."

F * ck! It was too f * cking bad! However, I like bad people, not bad beasts. Just you wait!

Hei xinjiu gave Tao Wu and Qiong Qi a meaningful look. She blinked so hard that her eyes were about to cramp up!

Tao Wu did not say anything, qiong Qi said to di beiming flatteringly, "Sir, whatever you say. You said that I am me. You said that I am me! "Well, I have been out for a long time. It's time for me to return to the bottle. Please be busy! "Please be busy!"

After saying that, Qiong Qi went into the ancient jade bottle that had fallen to the ground. What a joke. If he did not hide, would he be implicated? !

Tao Wu bowed to di beiming and went into another ancient jade bottle.

Only Hei Xinjiu was left alone in the scene. A certain Jiu suddenly felt a huge pressure. Damn it, none of these idiots were reliable! They escaped at the crucial moment!

Just as Hei Xinjiu was cursing in her heart, di Beiming's cold voice sounded again, "Hei Dong, how do you think I Should Punish You?"

Hei Xinjiu suddenly felt that everything ahead was dark. It was over! The gigolo was going to take revenge! If she had known earlier, she would not have been so smug a few days ago!

If she was given a second chance, she would definitely not tease the gigolo. Unfortunately, there was no medicine for regret in this world.

Just as Hei Xinjiu was thinking, di beiming fell to the ground..
