

The Yun Family's Ninth Child is an Imp! Chapter 3048

Hei Xinjiu was shocked and quickly carried di beiming on the soft couch. She found that there was frost on di Beiming's body again, and it quickly turned into solid ice.

Hei Xinjiu did not care much and quickly cut a wound on her arm and dripped blood into di beiming's mouth.

A moment later, DI beiming woke up. Seeing that Yun Chujiu was safe, he let out a sigh of relief, "Little Jiu, are you okay?"

Yun Chujiu was stunned. eh? Why did she change back?

This fellow did not dare to act rashly. He asked tentatively, "How do you feel? What happened just now?"

"I was worried about your safety. In a moment of desperation, I seemed to have broken through a little of the seal. However, I can't remember what exactly happened. It's good that you are fine." Di beiming was extremely afraid. If he had not broken through the seal temporarily.., the consequences were simply unimaginable.

Yun Chujiu's eyes lit up. Haha, so it was only temporary! She was scared to death!

"Little beauty, I was really scared. Come, let's have some incense to comfort my scared little heart!" Hei xinjiu pouted and kissed di Beiming's lips.

This guy had long forgotten about what he had said just now. If she were to do it all over again, she would change her ways. Today was the day she drank, today was the day she drank. She did not care about the worries and worries of Tomorrow!

Di beiming had no choice but to let women, hooligans, and hooligans do whatever they wanted. After being 'tortured' .., he said, "Since the remnant souls are not affected here, release the ancient remnant souls and take out the corpses of the ancient cultivators you found in the Shura Prison. Let them try to possess you."

Hei xinjiu clapped her hands. She had almost forgotten about that!

Therefore, the guy released the four lords of the remnant souls and took out the corpses of the ancient cultivators. He said smugly, "Come on. You can choose for yourselves. There are all kinds of men, women, and children. Choose whichever one you like."

Fu Ao and the other two were overjoyed. They had been looking forward to this day for a long time! Although the corpses were not their real bodies, they were all the corpses of the ancient cultivators. They should be able to withstand their remnant souls.

Therefore, after picking and choosing, each of them chose a corpse of an ancient cultivator. However, it turned out that they could not fuse with each other!

Fu Ao sighed. "Little girl, someone has placed a restriction on these corpses. Our remnant souls are unable to fuse with them."

Hei Xinjiu was stunned. There was such a method? F * ck, this was too much! When she returned to the Chaos Origin sect, she would definitely seek revenge from the Qi Ling of the Asura prison!

She had been in high spirits, but it was all for naught. Fu Ao and the others comforted Hei Xinjiu and returned to the ancient jade bottle.

Hei Xinjiu put away the corpses with her head lowered, feeling a little down.

Seeing this, di beiming comforted her, "Little Jiu, you don't have to be sad. It's just that the time hasn't come yet. You'll find a way to break the restriction sooner or later."

Hei xinjiu nodded. Sooner or later, there would be a way.

This guy's self-adjustment ability was very strong, and he soon became lively again.

"Little beauty, let's go. I'll take you to see the lotus flowers! It's said that people are more beautiful than flowers. In My Heart, you're the most beautiful! Bo, so obedient!"

Di beiming:" ..."

Hei xinjiu carried di beiming and walked through the death zone in high spirits. In the distance, she saw a big lake full of golden lotus flowers. It was so beautiful that people couldn't believe that it was a real beauty.

Di beiming suddenly said, "Little jiu, what I need should be in the lake. However, I also feel a huge threat. Be careful!"
