

The Yun Family's Ninth Child is an Imp! Chapter 3050

Just as the monk was about to defend himself, hei xinjiu continued, "You are still saying that the world is empty. Let me ask you, since you are empty, why are you so stingy? !

"Why don't you let me pick these lotus flowers? "Since You Are Merciful, why do you want to trap us here? Why Don't you let us out? "You are just a fake merciful monk!

"Since you are also bald, I decided to negotiate with you. Don't be so Shameless! "Let me ask you, are you going to move or not?"

The monk was dumbfounded. Was she also bald? Was she also bald? Was the hair on her head fake?

Recalling what Yun Chujiu had said, the monk was at a loss. He mumbled to himself, "Yes. Since I have nothing to do, why do I still have to guard the lotus flowers? Since I have cast aside the distracting thoughts of the mortal world, why am I still not allowed to go out?"

Hei xinjiu continued, "The Buddha is sitting in the heart, and the meat and wine are passing through the intestines! You are too rigid! There are so many lotus flowers. So what if I pick a few? It's not like they won't grow in the future!

"Besides, you won't let us go. Do you want to continue watching US make out? "Do you want to watch US make love? "Ah, I know! You must think so. I didn't expect you to be such a monk!"

"No, it's not like that! This penniless monk didn't want to Peek at you. Yes, you insisted. Female benefactor, please respect yourself. Amitabha!"The monk was obviously confused. When he saw Hei Xinjiu kiss di beiming again, he immediately closed his eyes.

Di beiming whispered in Yun chujiu's ear, "I remember the background of this monk!"! It was said that there was once a respected master who volunteered to come to the fallen God abyss to resolve the

grievance. He probably failed in the end. His obsession attached itself to the lotus flowers and eventually turned into the monk in front of him.”

Yun chujiu nodded. This monk was quite pitiful. She sighed, “Why do you need to do that? ! The grievance will dissipate one day. Everything in the world has its own way. Why do you need to interfere? !”

The monk was dazed, he asked in a daze, “Are you saying that everything that I did was unnecessary? “I allowed the lotus flowers to purify the resentment here and guarded the exit so that no one could get out. It was also to prevent the news from leaking out so that no one would come here to die. Why did you say that what I did was unnecessary?”

Hei xinjiu sneered again and again. “Alright. Let me ask you one thing. After purifying for so many years, why did you still create that Yuan Sha? “You trapped us here to prevent others from coming in to die. Is this what you mean by mercy? “Isn’t everyone equal in the world? “Why? Am I inferior to my little beauty? “Should I Die?”

The monk was rendered speechless by Hei Xinjiu’s words. He tried to justify himself. “You — you don’t understand. I’m not here just to purify the Yuan Sha. What else — what else do I have to do? My Head...”

The monk covered his head in pain. “What else... What else do I need to do? Why Can’t I Remember?”

Hei xinjiu blinked her eyes. “If you can’t remember, then go to the side and think about it. I’ll pick a few flowers first and refine them into pills to save people. I’ll help you accumulate virtue.”

The monk was clearly in a trance. He did not have any reaction after hearing Yun Chujiu’s words.

Yun chujiu did not care about that. She summoned Xiao Hei and the rest to protect di beiming. Then, she walked to the lakeside and started to cut the lotus flowers near the shore with her kitchen knife.
