

The Yun Family's Ninth Child is an Imp! Chapter 3054

Yun chujiu then realized that there was not a single fish or shrimp in the lake water. This was a very strange phenomenon.

The water was not poisonous. Then, why was there no other living creature other than the Lotus?

Yun chujiu let the Little Bastard command the turtle shell to approach the center of the lake. Hei xinjiu saw through the cracks in the turtle shell. Unlike the lake water by the shore, the water near the center of the lake was very clear. It could be described as clear as the bottom of the lake.

The bottom of the lake was covered in transparent white sand, which made it seem peaceful and peaceful. However, there was no sign of life at all, which made it somewhat weird.

Just as Hei Xinjiu was feeling anxious, black mist rose from the surface of the lake and finally formed a man, who looked very fierce.

The man burst into laughter. "Hahaha! It's all because of that stinky monk! I've been suppressed at the bottom of the lake all these years. I didn't expect that the stinky monk would commit suicide! The heavens are really helping me!"

Hei Xinjiu's heart sank. Right, the monk had said that he had other things to do. It turned out that he was not only guarding that thing, but also suppressing the man with the array formation. It seemed that he was a devil.

Hei Xinjiu did not dare to be careless, she opened a crack on the turtle shell and said, "Hey! As you can see, I tricked that stupid monk into committing suicide. I'm your benefactor! I don't expect anything in return. Let us leave this place!"

The man rolled his eyes. "That man can leave, but you can stay! You can be my wife. From now on, this place will be our territory! When the time is right, I'll take you out."

Hearing the man's words, Di Beiming's face turned gloomy. However, his body was useless. Even if he was angry to death, he could not take care of that man.

Hei xinjiu felt di beiming's low pressure, she said to the man, "Bah! Look at your behavior! You look like you're playing around! Do you still want me? I like my little beauty like that. If you're like that, just find a piece of tofu and kill yourself!"

When di beiming heard Hei Xinjiu's words, the corners of his mouth curled up. As for what little master, Little Beauty, and so on, well, he ignored them.

The man snorted coldly. "Little girl, do you know who I am? How dare you talk to me like that? Aren't you afraid of Death?"

"Who are you? Does it have anything to do with me having a spiritual stone? "Judging from your ugly appearance, you must be a demon, right? "TSK, tsk. Don't you know that I have a nickname called 'Professional Demon Slayer'? "The value of your existence is to make my title shine even more!"

"You, Brat, you are courting death!"

As the man spoke, the Black Mist turned into several sharp-mouthed bats and pounced at Hei Xinjiu. Hei xinjiu immediately shrank into the turtle shell.

"Aiyo, this is the first time I've seen such an attack. Other people are all wind blades or something. How could his mist turn into bats?"

However, it was also true. The monster that they had encountered in the Tianluo mystic realm could turn their spiritual sense into many monsters. It was not surprising that there were all kinds of strange things in the world.

The sound of sharp-mouthed bats hitting the turtle shell kept coming from above. Fortunately, the turtle shell was very hard and there was no damage.

The man could not do anything to Yun Chujiu and the others. Yun chujiu did not dare to leave the turtle shell either. The two sides were in a stalemate.

However, there was a serious problem in front of Yun Chujiu and di beiming. As time passed, it was getting closer and closer to the closing time of the fallen God Abyss. If they did not seize the time, they would not be able to leave.

Therefore, they had to think of a way to kill the demon outside.
