

## The Yun Family's Ninth Child is an Imp! Chapter 3059

With the protection of seven fanged bloodthirsty bears, Hei Xinjiu and the other two successfully left the forest.

“Little beauty, what should we do next?” Yun Chujiu asked cheekily.

Buttface was already used to it. It was his first time seeing Hei Xinjiu's suicidal behavior, and he almost fainted from shock.

Aiyo, this person was too good at acting! However, her courage was commendable. wasn't she afraid that Sheng Zun would teach her a lesson after he recovered?

“My body has already recovered. I estimate that I will recover in less than five days. At that time, we will return to the immortal Yuan continent,” di beiming said.

Hei Xinjiu's heart skipped a beat. In five days, the gigolo would recover? Then she had to bully him quickly. Otherwise, there would be no such thing after this!

As for how di beiming was going to deal with her after he recovered, he didn't even bother to think about it. He was going to have a good time.

Therefore, for the next five days, di Beiming's life could be described as water, deep, fire, and Hot!

Hei Xinjiu tried all kinds of tricks, but di beiming was still 'resigned' as usual, as if he had already accepted his fate.

That morning, after Hei Xinjiu opened her eyes, she hugged di beiming out of habit and said slyly, “Good Morning, Little Beauty!”

After saying that, she realized that the situation did not seem right. It seemed to be a little cold?

Then, she realized that di Beiming's deep, cold eyes were staring at her:

"Little Jiu, have you been having a lot of fun these days, huh?"

Hei Xinjiu's mind suddenly went blank. She was done for! The gigolo had recovered! Her good days were over!

Oh God, Oh Earth, why were the good days always so short? !

She still had a lot of "Good" ideas that she had yet to execute. How could the gigolo have recovered? !

However, the most important thing now was to fool him first. Otherwise, the gigolo would definitely not forgive her.

The guy blinked his eyes and said with a flattering look,

"Xiaomei, ah, my beloved Prince Charming, you have finally recovered? This is really a good thing to congratulate and celebrate!

"Well, please wait for me for a while. I will go and prepare some face washing water and breakfast for you!"

Hei Xinjiu wanted to break away from di Beiming's arm as she spoke. Unfortunately, any struggle with di Beiming was futile. The guy was drenched in sweat, but he could not escape from di Beiming's iron claws.

Di beiming did not say anything. He just looked at her with a slight smile, which made Hei Xinjiu shudder. A sentence flashed across his mind. Karma was like a tornado. It just happened!

“Well, that Prince Charming, I admit that I did go a little overboard a few days ago, but that was also because you lied to me! So we’re even now. What do you think?”

“Not good.”

Hei Xinjiu:” ...”

“Well, Prince Charming, I know you’re joking with me. It’s getting late, I’ll go prepare breakfast. Aren’t you hungry? As the saying goes, a man is iron rice or steel. You’ll be hungry if you don’t Eat!”

“I’m hungry.”

Hei Xinjiu was overjoyed and quickly said, “Prince Charming, I told you, it’s time to eat breakfast! Since You’re hungry, I’ll go prepare breakfast now.”

Di beiming curled his lips again. “Being hungry is a small matter. I just want to take a good look at you now.”

Hei xinjiu instinctively felt that di beiming did not have good intentions. She pointed behind di beiming and said, “Idol, what do you think that is?”

Unfortunately, di beiming did not even blink his eyes. It was obvious that he had seen through her little trick.
