

## The Yun Family's Ninth Child is an Imp! Chapter 306

Su Yanran looked at Yun Chujiu suspiciously. 'This b\*tch has many bad ideas. Did she prepare some chili noodles again? Hmph! You can only use that insidious trick once. If you use it again, I'll use my spiritual power to put up a spiritual shield. You can't hurt me!'

"Come on, be happy. There's a lot of time anyway..." Yun Chujiu hummed a little tune and signaled Su Yanran to come-hither.

Su Yanran was livid and slapped Yun Chujiu.

Yun Chujiu did not even dodge. She just stood there calmly and continued humming a tune.

Yun Chuwu and the others were so scared that they closed their eyes. It was over. Su Yanran's cultivation was at the peak of the eighth level of the Spirit Enhancement realm. This slap would definitely kill Yun Chujiu!

Huh?

Why did they not hear Yun Chujiu's scream?

Everyone opened their eyes and saw that Yun Chujiu was still standing there with a smile on her face. On the other hand, Su Yanran had a dumbfounded look on her face!

"Y-You have a defensive spirit tool on you?"

Yun Chujiu shrugged her shoulders. "Yes, there's nothing I can do. I'm too weak. Our sect leader gave me dozens of defensive spirit tools to protect myself. Go ahead and fight. I reckon that you won't be able to hit me even if we fight until tomorrow morning! When the time comes, I'll just kick you out of the circle!"

Whether it was the people from Spirit Radiance Sect or those from Heavenly Gates Sect, they all had blank expressions!

'Dozens of defensive spirit tools?

'Yun Chujiu, are you kidding us?

'Not to mention you're an unimportant servant. Even the sect elders don't have that many, okay?!

Su Yanran gritted her teeth in anger. "You're spouting nonsense! I'm going to beat you to death today!"

Yun Chujiu spread her hands. "You don't believe me? Then hit me! I'll sit down and rest!"

After saying that, Yun Chujiu really sat down on the ground and took out a spiritual fruit and started eating it!

Su Yanran was so angry that her head was about to smoke. She hit Yun Chujiu more than ten times in a row. Unfortunately, these attacks were all blocked by an invisible spiritual barrier when they were one foot away from Yun Chujiu.

Su Yanran refused to believe it and continued to wave her palms. Yun Chujiu suddenly smiled at Su Yanran and said in a crisp voice, "Su Yanran, I'm going to use hidden weapons. Be careful!"

Su Yanran was afraid that Yun Chujiu would use the chili again, so she quickly raised her spiritual shield.

She did not expect Yun Chujiu to smile evilly before saying, "I'm just playing with you! You're so gullible!"

Su Yanran was so angry that she kept twitching. She removed her spiritual shield and tried to hit Yun Chujiu again. Unexpectedly, Yun Chujiu raised her hand again. "Su Yanran, I really used a hidden weapon this time!"

Su Yanran quickly raised her spiritual shield again. Then, she heard Yun Chujiu giggle. "You idiot! I was just teasing you!"

After doing this a few times, Su Yanran was about to explode with anger. Hence, when Yun Chujiu said she would use a hidden weapon again, she did not dodge at all. Instead, she raised her hand and attacked Yun Chujiu.

Unexpectedly, Yun Chujiu was serious this time. She threw a big sack at Su Yanran.

Su Yanran wanted to use her spiritual energy shield, but it was too late, so she quickly turned to the side.

Before Su Yanran could react, Yun Chujiu threw a few big sacks at her.

Su Yanran was afraid that there were chili inside, so she did not dare to hit them and could only dodge.

"Haha! You're out of the ring! You lost!" Yun Chujiu clapped her hands and said with a smile.

Su Yanran looked down. She was so focused on avoiding those sacks that she was indeed out of the ring!

"Y-You cheated!" Su Yanran could not accept the fact that she had lost again.

“There’s no such thing as cheating in war, do you understand?! Cut the crap and leave quickly! We still have to pick the jade bell flowers! We don’t have the time to deal with you!” Yun Chujiu put the sacks on the ground into her storage ring. The items inside precious and could not be discovered by others.

Su Yanran’s beautiful face contorted with anger, and she was bleeding from her fingernails! However, cultivators valued oaths very much. If they broke an oaths, not only would they be punished by the heavens, they would also form inner demons. Therefore, although they were unwilling, they could only leave with the people of the Tian sect in anger.

A certain realm’s spiritual energy crashed into the wall!

‘Trash! Trash! How could there be such a huge difference in intelligence between people who lived on the same continent? Are you all pig-brained? Just kill them immediately. You still want to make a bet out of it?! Can that pig brain of yours beat a little weird like Yun Chujiu?!’

Looks like the realm spirit would have to personally make a move!
