

The Yun Family's Ninth Child is an Imp! Chapter 3081

Wen Qianchuan and the others saw Hei Xinjiu sitting beside the stone table, leisurely drinking tea. There were all kinds of pastries on the stone table, looking very relaxed.

QU Shanshan said sharply, "Yun Chujiu, why don't you open the door for senior Wen? Don't you know that the elders are superior to the young?"

Yun chujiu did not even look at her and said leisurely, "I only know that no guest would come uninvited and even break the door of the host's house. It seems that the customs of the Sea of ruins are 80% different from ours."

Wen Qianchuan snorted coldly, "What a sharp-tongued girl! Today, I will teach you the rules!"

When Wen Qianchuan was in the meeting hall, he wanted to teach Yun chujiu a lesson. However, because of Master Xiahou and the others, he swallowed his anger and did not make a move.

He felt that although Yun chujiu had made contributions in the battle between the human race and the nightmare race, it was all an empty title. At the end of the day, she was just a small handyman. Even if he really killed her, no one could do anything to her.

As Wen Qianchuan spoke, he slapped his palm towards Yun Chujiu. Yun chujiu naturally would not sit still and wait for her death. She leaped to the side and dodged Wen Qianchuan's palm.

However, Wen Qianchuan's palm smashed the stone table and stone stool into pieces.

Yun Chujiu's eyes turned cold. "Senior Wen, you are not my master, and you are not a member of the Shi Yuan sect. What right do you have to teach me a lesson? "Could it be that you can't force Master Xiahou to give up the position of the sect master to you, and you are going to start a massacre?"

“Smelly girl! Don’t spout nonsense! Today, I am going to lecture you, this little slut who doesn’t know your place. Don’t talk about it elsewhere!”Wen Qianchuan said in a flustered and exasperated manner.

“Smelly girl? Little Slut? TSK TSK, senior Wen’s words are really filthy! I wonder if it was senior Murong who instructed you to lecture me?”?

“You guys are really capable. You Don’t dare to reason with Master Xiahou and the others, yet you dare to bully me, a small handyman who is lighting a fire.

“However, even the small handyman who is lighting a fire in the murderous origin sect is not someone to be trifled with. I’m warning you, stop right now, or I won’t hold back anymore!”

Although Hei Xinjiu had long been prepared to make a move, she did so with courtesy first, so that she would not be picked on by others.

This fellow was afraid that a fight would destroy her courtyard. He ran out of the courtyard in a flash and shouted, “If you have the ability, come out and fight. I’m not even afraid of the nightmare clan, so why should I be afraid of You?”

Wen Qianchuan was already very angry. After being provoked by Hei Xinjiu’s words, he became even angrier. His figure flashed and he slapped Yun Chujiu once again.

Hei Xinjiu dodged Wen Qianchuan’s attack nimbly again. The two of them fought each other.

However, Hei Xinjiu did not fight back. She just kept dodging.

The guy shouted while he was dodging, “Come and take a look, everybody. Someone is bullying a little girl because of his old age. He is so Shameless!”

“How Strange! As a guest, he did not stay in the guest house properly. Instead, he came to my yard, where I was a handyman, to beat someone up. A Guy like him wants to steal the position of the sect leader of our Shi Yuan sect. Do you think he is Shameless?”

“Don’t miss him. The most shameless person on the immortal essence continent is the one in front of you. He beat up the nightmare clan like a cowardly turtle, but now he’s here to beat up the hero of the Battle Nightmare Clan.”

..

Yun Chujiu’s shout quickly attracted many disciples of the killing Origin sect. However, because Hei Xinjiu’s dormitory was at the foot of the Golden Peak, most of the people in the vicinity were handymen and outer court disciples, although they were filled with righteous indignation at Hei Xinjiu’s words, they did not dare to step forward to help.
