

The Yun Family's Ninth Child is an Imp! Chapter 3083

The group of people closed their eyes and waited for a while, but they did not hear Hei Xinjiu's scream. They opened their eyes and took a look. eh? Those piglets of spiritual power actually blocked three spiritual power beasts?

Only then did they realize that the most special thing about those piglets of spiritual power was that they could actually turn the enemy's spiritual power into their own. Therefore, even if they were very weak, they could still hold on for a period of time.

TSK TSK, although this Yun Chujiu's spiritual beast was a little weak, it was quite strange!

Wen Qianchuan was obviously a little surprised, but he snorted coldly and said, "Yun Chujiu, although your spiritual beast is a little special, in a few more breaths, your spiritual beast won't be able to hold on."

Yun chujiu said indifferently, "If you can't Hold On, then you can't Hold On! I'm not in a hurry, why are you in a hurry? ! Are you crazy?"

Wen Qianchuan almost spat out a mouthful of blood, "Good! Good! Stupid Girl, you're still stubborn even at the end of your life. You'll have a hard time later!"

The people of the murderous Yuan sect had the same thoughts as Wen Qianchuan. They thought to themselves, is this Yun Chujiu Stupid? Why didn't she use this time to escape? When the little piglet of spiritual power dissipated, she would be dead for sure!

Sure enough, after a few dozen breaths, the little piglet's figure became fainter and fainter. It looked like it was about to dissipate.

Wen Qianchuan's face revealed a proud expression. Although this wretched girl's spiritual power was not high, she was definitely a scourge. It was just nice to find a reason to kill her today. Once and for all!

Qu Shanshan, who was at the side, said proudly, “Yun Chujiu, just admit your mistake and beg for mercy. Otherwise, you will definitely die a horrible death!”

She no longer cared about the thoughts of the murderous origin sect disciples. A bunch of idiots. Her brother was the most knowledgeable one. Once they took power, HMPH!

The people of the murderous origin sect looked at Yun chujiu worriedly. They were worried and conflicted. Should they rush up to save her later?

Save them. Those three spiritual beasts were not to be trifled with. They might be seriously injured. However, if they did not save them, they would still feel guilty.

Just as everyone was in a dilemma, someone suddenly cried out!

“Oh my God! What, what is this?”

Everyone saw that the spiritual piglets that were about to disappear had actually gathered into a huge purple... pig?

Oh My God!

This huge purple pig was more than ten times bigger than that spiritual lion. How could there be such a huge spiritual beast?

Wen Qianchuan’s three spiritual beasts were shivering in fear and kept retreating.

Hei Xinjiu crossed her shoulders and stood on her tiptoes. She said proudly, “See that? The piglets that appeared before were all da Hua’s underlings. This is my invincible giant pig — da Hua!”

Da Hua looked at the three spiritual beasts that were trembling on the ground lazily. One of them was killed with a stomp, while the other one had nothing to do. He simply stomped on Wen Qianchuan.

Wen Qianchuan was simply dumbfounded!

What the hell was this? ! How could yun chujiu have such a big spiritual beast? And it was purple in color?

Now was obviously not the time to think about this. Wen Qianchuan kept dodging da Hua’s attacks. Fortunately, Spiritual Beasts were not as agile as cultivators, so Wen Qianchuan dodged da Hua’s attacks with a few flashes, he also jumped out of Da Hua’s attack range.

He had escaped, but Qu Shanshan was not so lucky. Da Hua’s tail had sent her flying, and the direction was coincidentally the canteen of the big kitchen..

Yun chujiu looked at Wen Qianchuan in the distance with disdain and said slowly, “Da Hua, Don’t chase after the enemy. Come Back!”
