

The Yun Family's Ninth Child is an Imp! Chapter 3090

Hei Xinjiu walked around the Earth Peak, but she did not find anything interesting.

In addition, although the earth peak disciples avoided her, they stared at her from afar, as if they were staring at a thief.

Hei Xinjiu was angry. Didn't she have a criminal record for stealing Green Jade Lotus Roots? Did they have to stare at her like that? Besides, there were pitifully few trees on the Earth Peak, and there were no hot springs or anything like that. Even if she wanted to take advantage of them, she wouldn't be able to!

Hei Xinjiu suddenly had a thought. These earth peak disciples were so nervous. Perhaps the earth peak really did have some treasures.

Therefore, she continued to hop around and observe the reactions of the disciples.

Just when she was about to hop towards the back of the Earth Peak, the disciples became anxious!

"Junior Sister Yun, it's getting late. You'd better go back now!"

Yun Chujiu looked at the Sun hanging high in the sky. It was already late in the afternoon? Is there something wrong with your eyes?

"Junior Sister Yun, the road ahead is bumpy. Don't go any further!"

Bumpy Road? Yun chujiu looked at the wide road ahead. It seemed that his eyesight was not very good, either?

Hei Xinjiu was even more certain that there must be a treasure at the back of the Earth Peak. She blinked her eyes and said, "Why are you all so nervous? I'm just going to take a look."

Everyone's faces stiffened. Just to take a look? Who Didn't know that you were the biggest bad news bag of the Shi Yuan sect? Even Yan Guo was going to pluck his feathers, not to mention their Earth Peak's treasure!

Some smart disciples hurriedly sent a message to the Earth Peak's Peak Master Lian. They could not stop this bad news bag, but the peak master would find a way.

Mountain Master Lian of Earth Peak was having tea with mountain master Ren of wood peak. After receiving the message, Ma Shan ran out of the courtyard like a rabbit.

Mountain Master Ren was very puzzled and quickly followed, "Old Lian, what happened?"

Mountain Master Lian gritted his teeth and said, "Yun Chujiu's evil thing went to the back mountain of Earth Peak! "I have to go there as soon as possible. Otherwise, if that evil thing finds the earth tower, it might blow up! "This guy even dares to blow up his self-reflection cave, so the earth tower is even easier to deal with!"

Mountain Master Ren thought of the precious 'thorn' on his wood peak and said sympathetically, "Then we really should hurry over. That bad news bag is capable of doing anything."

When Mountain Master Ren and Mountain Master Lian rushed to the back mountain of the Earth Peak, they saw that there were already a lot of earth peak disciples surrounding them. Mountain master ren asked anxiously, "Where is that bad news bag?"

"Mountain Master Ren, how can you say that about me? How can I be the Troublemaker?" Hei Xinjiu sat on a tilted tree and asked unhappily.

Yun Chujiu had wanted to go to the back mountain to take a look, but the earth peak disciples were determined not to let her go to the back mountain, so she had no choice but to jump on a tilted tree to think of a way to escape.

Mountain Master Ren's old face turned red. It was one thing to say it behind his back, but it was another thing to say it in person. Moreover, he was an elder, so he laughed dryly:

"Little Jiu, I'm just teasing you! Since you're here at the Earth Peak, it's lunchtime. Come to my place for lunch!"

When Hei Xinjiu heard that there was delicious food, she immediately jumped down from the crooked tree and said with a smile, "Then, thank you, Mountain Master Ren..."

Mountain master Ren heaved a sigh of relief in his heart. He decided to set up a checkpoint at the entrance of the Earth Peak Tomorrow to prevent this bad news bag from sneaking in again.

Just as Mountain Master Ren was about to get up and leave, he heard a loud rumble from afar. Dust was flying in the air and his heart thumped.

He immediately ignored hei xinjiu and leaped towards the source of the sound. The people of Earth Peak also rushed over with grave expressions.

Hei xinjiu blinked her eyes and followed behind secretly.
