

## The Yun Family's Ninth Child is an Imp! Chapter 3091

When Hei Xinjiu arrived at the scene of the accident, she saw a huge pit not far away. Stretching her neck, she saw that it seemed like an earth tower had sunk in.

Hei Xinjiu clicked her tongue in wonder. Only a small part of the earth tower was still exposed. It looked very exquisite. What was it used for? Why did it collapse all of a sudden? Damn, it was a good thing that she didn't come over. Otherwise, she would have been blamed for it? It was so close! So close!

Peak Master Lian's expression was very ugly. This Earth tower had been passed down for tens of thousands of years. Why did it suddenly collapse?

Peak Master Lian instructed the earth peak disciples to dig the soil around the pit so that the earth tower would appear again. This way, he could determine what was going on.

Most of the Earth Peak Disciples had earth spiritual roots, so they quickly moved the soil around the pit to the side, revealing the Earth Tower.

Hei Xinjiu had seen many towers before, but this was the first time she had seen a tower made of soil. She couldn't help but approach it curiously, wanting to see what kind of soil it was made of.

At this moment, the light shone brightly. When everyone regained their sight, not only was the earth tower gone, even Hei Xinjiu had disappeared.

Peak Master Lian stomped his foot angrily. He knew it!

That bad news had always been bad news, but now, not only did it steal their Earth Peak's treasure, it even went missing. It was simply too worrying!

Hei Xinjiu originally thought that she had been sucked into the Earth Tower. After all, such things had happened many times before. These so-called artifact spirits had their heads wrapped up and would always go against her.

However, to her surprise, when she regained her sight, she was not in the tower.

The Earth Tower stood not far away from her, and the place where she was standing was barren. There was nothing but gravel on the ground.

Hei xinjiu frowned and walked to the door of the Earth Tower. "Hey! Qi Ling, GET OUT HERE! What's going on?"

No matter how Loud Hei Xinjiu shouted, there was no movement in the Earth Tower.

Yun chujiu frowned. Could it be that the earth tower had not produced Qi Ling Yet? What was going on?

Hei Xinjiu thought about what had happened. Perhaps there was a teleportation array under the Earth Tower, and she was unlucky enough to be teleported here together with the Earth Tower?

Hei Xinjiu thought that the possibility was high, so she gave up looking for a breakthrough from the Earth Tower and started to look at the surrounding environment.

The surroundings were quiet, as if she was the only living being in the world.

Yun chujiu looked into the distance and saw a gray fog. When she wanted to pass through it, she realized that it was actually a barrier.

What kind of damned place was this?

Hei Xinjiu took out her voice transmission talisman and identity jade token, but found that they were not useful. She then picked up the jade token given to her by di beiming, but she could not bear to use it after thinking about it.

This guy blinked his eyes. Who cares where it is! Now that the medicinal herbs for the Transfiguration Pill had been gathered, it just so happened that there was no one else here. She would first refine a few furnaces of transfiguration pills.

Therefore, Hei Xinjiu took out the heaven and earth universe furnace and threw in the medicinal herbs needed to refine the transfiguration pill. Then, she let it go. After all, the Heaven and earth universe furnace had a Qi ling, so it would naturally refine it.

A moment later, the fragrance of the pill drifted out.

Hei Xinjiu opened the lid of the pill furnace and saw ten pills with golden patterns inside. She was very satisfied. After putting them away, she continued to refine.

This guy was in a hurry to verify the efficacy of the disguise pill. First, he warned the guai Cao not to secretly absorb the efficacy of the pill. Then, he cut off about one-tenth of the size of the disguise pill and stuffed it into his mouth..
