

The Yun Family's Ninth Child is an Imp! Chapter 3094

When Mountain Master Mo told everyone his guess, they were all stunned!

Mountain Master Zhao said with a wide grin, "Mountain Master Mo, don't joke around! How could a girl turn into a three or four year old child? That's impossible!"

"Maybe it's still impossible. Why don't we go to Yun Chujiu's dorm and take a look? I think it must be her!" Mountain Master Mo said resolutely.

Hearing what Mountain Master Mo said, everyone thought about the cause and effect of the matter. Perhaps that girl was really Yun Chujiu's troublemaker.

Therefore, Master Xiahou and the others came to Hei Xinjiu's dorm.

Hei Xinjiu was sitting on the stone chair in a daze. Her legs were shaking because she couldn't reach the ground.

"Little Jiu, open the door!" Mountain Master Zhao shouted.

Although Hei Xinjiu was unwilling, she knew that the truth had been exposed and she couldn't hide it.

She could only open the door with her short legs.

At this moment, everyone was almost 90% sure that this person was Yun chujiu. Otherwise, she wouldn't have appeared in Yun Chujiu's yard.

Everyone looked at the girl's appearance again. She was indeed slightly different from the bad news bag, but after she grew up, she looked exactly the same!

Mountain Master Zhao couldn't help but laugh: "Little Nine Girl, you, how did you become like this?"

Although Master Xiahou and Company knew that it wasn't very kind, they still smiled. This, this was too ridiculous! How did a little girl suddenly turn into a three or four year old girl?

Hei Xinjiu was already very depressed, but now that she saw everyone like this, she immediately burst into tears.

Mountain Master Zhao saw Hei Xinjiu cry and immediately went numb!

He hurriedly explained: "Little Girl Jiu, don't cry. I'm not laughing at you, I am, I am laughing, laughing at Peak Master Lian! Yes, I am laughing at him!"

Peak Master Lian, who was lying on the ground, was dumbfounded. Who Had he provoked? Why was he laughing at him? But he also knew that now was not the time to argue. He could only stiffen his face and keep quiet.

Master Xiahou and the others were also embarrassed and tried to persuade him. They were a group of old men bullying a little child. If this was to be spread out, it would be extremely embarrassing!

Hei Xinjiu cried for a while before she stopped sobbing.

Master Xiahou then asked tentatively, "Little Jiu, what happened? How did you become like this?"

"I don't know either. After the white light flashed, I arrived at a desolate place. I looked around but couldn't find an exit. Then, I was teleported out and became like this!" Hei Xinjiu said with a sobbing voice.

Hei Xinjiu was too embarrassed to say that she had taken the wrong medicine! Moreover, she had refined it herself. Damn it, it was so embarrassing to say it out loud!

Everyone looked at each other. It was the first time they had heard of such a thing. It was unbelievable.

Everyone comforted Hei Xinjiu. They would definitely help her find a famous doctor. They would definitely make her return to her original state. Hei Xinjiu thought miserably in her heart. Visiting a famous doctor? ! Even Gou Weiba couldn't do anything about it. Who could save her? ! The medicine was indeed not taken randomly!

After everyone comforted her, master Xiahou said, "Little Jiu, it's inconvenient for you to move now. Why don't I send a few female servants to take care of you?"

Inconvenient to move? Hei xinjiu glanced at her small arms and legs. She couldn't help but feel sad. Damn it, she really wanted to smash into a wall!
