

## The Yun Family's Ninth Child is an Imp! Chapter 3095

In the end, Hei Xinjiu still rejected master Xiahou's good intentions. She still had to secretly think about the antidote. It would be inconvenient for others to move in.

When Master Xiahou saw that Yun Chujiu insisted on giving up, he instructed her to look for Leng Kui if she needed any help. He would let Leng Kui come and visit frequently.

After Hei Xinjiu nodded her head in agreement, Master Xiahou and the others left.

In an instant, the news that Yun Chujiu had turned into a little doll spread all over the murderous origin sect.

"Hey, have you heard? That troublemaker has turned into a three-or four-year-old girl!"

"I've heard! I've heard! Do you think this is retribution for her bad deeds?"

"Hahaha! Didn't she ask us how we were struck by lightning a few days ago? Maybe she was struck by lightning!"

..

All of a sudden, the topic of discussion in the killing Yuan sect was about Hei Xinjiu. Many people were secretly guarding around Hei Xinjiu's courtyard to see what had happened to her.

Leng Kui had met her a few times and scolded the disciples. Junior Sister Little Jiu was not a good-for-nothing, but she had saved the killing Yuan sect and the human race. These people were always clinging onto her. How hateful!

Hei Xinjiu originally thought that after ten days, everything would return to normal. In the end, after ten days, she realized that she was still that F \* cking coward! She did not want to live anymore!

Therefore, this fellow put mushrooms in the yard with a hopeless expression. SOB, SOB, sob. Now, she had to stand on a stool even when she was eating, even when she was sitting on a chair! F \* ck, she simply could not live anymore!

Leng Kui came to stare at Hei Xinjiu almost every day. He was afraid that she would not be able to get over it, so he told her all the stories about her being disabled since ancient times. He also told her many stories about her heroic deeds in the past, trying to rebuild her confidence in life.

Hei Xinjiu still looked like she was dying. She thought that if di beiming saw her now, ah, he would not want to live anymore!

She hurriedly took out the voice transmission talisman. "Prince Charming, I'm going into seclusion for two months, no, half a year, so don't come looking for me for the time being!"

"Okay." Di Beiming's reply was as short as usual.

Hei Xinjiu was not in the mood to argue anymore. She put away the voice transmission talisman with her head drooping.

Just as Hei Xinjiu put away the voice transmission talisman, she heard Leng Kui reprimanding the disciples who were watching the fun. This guy narrowed his eyes. Did he think that she would be easy to bully if she became smaller? Damn it, he could vent his anger on them!

Therefore, hei xinjiu walked out of the door with her short legs.

Seeing Hei Xinjiu come out, Leng Kui was afraid that she would be provoked, so he hurriedly said, "Junior sister Xiao Jiu, you go in first. I'll go in and tell you a story after I'm done reprimanding them."

Hei Xinjiu: "..."

What was a pig teammate? This was it!

Those people had always ridiculed her. Now that Leng Kui said that he would tell her a story, wouldn't it make it more true that she was now a child? !

As expected, although those disciples lowered their heads to listen to Leng Kui's reprimand, they all winked at Hei Xinjiu, gloating at her misfortune.

"Senior brother Leng Kui, stop talking. I'll handle it myself!"

Hei xinjiu strode to Leng Kui's side with her short legs. She was not even as tall as his waist. She really wanted to die!

Seeing this funny scene, the crowd could not hide their laughter and burst into laughter.

Hei xinjiu squinted her eyes and took out a handful of talismans from her storage ring and threw them in front of her. Immediately, the laughter turned into a scream.

"Laugh! Why aren't you laughing? Look at how useless you are! If you have the ability, continue laughing! Damn it, if anyone dares to talk about me behind my back in the future, I will break his legs and cut off his tongue! If you don't believe me, Let's try it!" Hei Xinjiu's eyes were filled with viciousness.
