

The Yun Family's Ninth Child is an Imp! Chapter 3096

After the panic, everyone calmed down, but they could not help but step back a little. One of the disciples said indignantly,

“Yun Chujiu, your mouth is on us, what right do you have to threaten us? Besides, you are now a girl doll, what else can you do besides throwing talismans? !”

“That’s right. You used to be a bully, but now that you have become like this, you still want to threaten us? You are overestimating yourself

“Besides, we didn’t bully you. We just talked about you. Why Can’t we?”

..

Everybody pointed at Hei Xinjiu with contempt on their faces. Admittedly, they admitted that Yun Chujiu was indeed a hero of the human race, but so what? !

In the immortal Yuan continent, strength was the most important. Now that she had become a child, it was already good enough that they did not add insult to injury! Couldn’t they just say a few words of gossip? She was taking herself too seriously!

Leng Kui could not contain his anger. Just as he was about to speak, he heard Yun chujiu sneer, “Based on what? I’ll show you what I’m based on!”

Although Yun Chujiu’s voice was very soft, it was bone-chilling. Those people could not help but take a few steps back. To put it bluntly, these people were soft-hearted and afraid of the strong. It was not bad to say that.., however, adding insult to injury and adding to the misery was definitely not without them.

Everyone immediately felt that their actions of retreating were a little cowardly. Yun chujia was indeed quite awesome in the past, but now she was just a little child, what was there to be afraid of? !

Therefore, everyone laughed again and pointed at Hei Xinjiu.

Hei Xinjiu looked at these people coldly and released a group of piglets with spiritual power.

Everyone was shocked. This was bad! They had forgotten about this bad thing and the Purple Pig!

Unfortunately, it was too late to regret now! In order to get da Hua to come out quickly, Hei Xinjiu let the piglets bite each other. Soon, da Hua came out lazily!

Da Hua looked at Hei Xinjiu who had small arms and legs, and his huge body trembled.

Hei Xinjiu was furious!

Even a fool would know that this D * mn Da Hua was laughing at her! F * ck, no one would be laughed at by their own spiritual beasts!

“Da Hua! Teach them a lesson! Just hold your breath! I’ll see who dares to laugh at me in the future!” Hei xinjiu vented her anger on the disciples.

Da Hua was a piece of cake in dealing with these people. A few hoofs were enough to send a bunch of screams and a tail flying!

Hei Xinjiu was not idle either. Lightning crackled in front of those people!

Most of these people were handymen and outer court disciples. They were no match for Hei Xinjiu. They were immediately beaten until they cried for their parents and begged for mercy!

“Junior Sister Yun, we were wrong! Please spare us!”

“That’s right! Little Grandaunt, our mouths can’t spit out ivory. Don’t take it to heart!”

“Our mouths are full of nonsense! Let us off!”

..

Hei Xinjiu put da hua back and said coldly, “You know your mistake now? In that case, from tomorrow onwards, you will take turns to carry the pole and take me for a walk. If it is not my turn within a month, I will kill him!”

The crowd did not dare to disagree. They were afraid that it would not be their turn, so they scrambled to say, “Junior Sister Yun, I Will Carry You Tomorrow Morning!”

“Junior Sister Yun, there’s still me. I’ll Carry You!”

“Get lost! Look at your skinny appearance! Can you carry me? Junior Sister Yun, let me carry you!”

..

Yun chujiu could not be bothered with them. She raised her head and said to Leng Kui, “Senior brother Leng Kui, let’s go. Go in and continue telling me stories.”

Leng Kui: "..."
