

The Yun Family's Ninth Child is an Imp! Chapter 3098

Boom! Boom! Boom! Boom!

The loud sound of lightning made everyone feel even more uneasy. Mountain Master Zhao looked in the direction of the lightning strikes, he said in surprise, "These lightning strikes seem to be coming from the direction of the kitchen. It Can't be that Tian Dao wants to kill Little Jiu, right?"

Everyone looked closely and saw that the lightning strikes were coming from the direction of the kitchen. Judging from the direction, it should be Yun Chujiu's courtyard.

Master Xiahou and the others' hearts sank. That little girl was most likely going to die. Not to mention that she had turned into a little girl, even if she did not change, she would not be able to withstand the punishment of Tian Dao.

Master Xiahou and the others were about to go and help, but they did not expect to receive a message from elder Gui Yi. The gist of it was that Tian Dao could not be disobeyed, so they were not allowed to interfere in this matter.

Elder Gui Yi was one of the four grand elders of the killing Yuan clan, so Master Xiahou and Company didn't dare to disobey him. They could only stand outside the meeting hall and look down the mountain.

Mountain master Zhao murmured, "When Murong Hanlie came to find trouble, they didn't come out to help. But today, they did. HMPH!"

Master Xiahou glared at him, "Watch your words! The four elders were in seclusion a few days ago. Maybe they sensed the lightning today, so they warned us."

Mountain Master Zhao pursed his lips and didn't say anything.

At this moment, Hei Xinjiu's courtyard had been hacked into a mess.

Xiao Heiniaoy and Xiao Mogu weren't as arrogant as before. They knew that their master would lose his life today, so they tried their best to help Hei Xinjiu share the lightning.

Wu Yun was extremely proud. Wasn't this brat arrogant? Wasn't she unable to be hacked to death? Now that she had turned into a three or four-year-old child, let's see how she could still be arrogant! She would definitely be hacked to death today!

And that ugly bird and that Xiao Mogu, none of them would be able to escape today! They would all turn into dregs!

Hei Xinjiu could still bear it now. After all, she had only just begun to be hacked, and Xiao Heiniaoy and Xiao Mogu had even shared some of the burden. However, if this continued, sooner or later, her meridians would not be able to withstand it. She had to think of a way quickly.

The purple lightning became denser and denser, and its power grew stronger and stronger. Hei Xinjiu felt as if her body was about to explode. She gritted her teeth. Damn it, it seemed that she could only run away!

Therefore, she jumped out of the courtyard and started running with her two short legs.

Wu Yun was dazed for a moment. Then, she thought complacently, did she think that she could run away? Didn't she know that the heavenly lightning could turn around? She would be struck to death!

Therefore, Hei Xinjiu ran with her short legs and the heavenly lightning chased after her. From afar, it seemed that the guy had a long purple tail behind him!

Master Xiahou and the others saw Hei Xinjiu running toward them with a long purple tail.

From a distance, they could still hear the childish voice cursing, “Damn it! Damn you, Wu Yun, I’m Warning You! “The river flows east for thirty years, and the river flows west for thirty years. If you let me go today, I won’t make things difficult for you in the future. Otherwise, I’ll kill you in the future!”

“How can you call yourself a hero if you hit a little kid like me? Pah! Shameless! You are the shame and scum of the Wu Yun Sector!”

..

From time to time, purple lightning bolts would catch up to Hei Xinjiu and strike her. Not only was she not killed, but she also ran to Master Xiahou and the others happily.

The arrogance on Hei Xinjiu’s face immediately turned into tears. “You... You Didn’t save me? You just watched a little kid like me get struck by lightning?”
