

The Yun Family's Ninth Child is an Imp! Chapter 3099

Master Xiahou and company's faces were red. They wished they could find a hole to hide in. Mountain Master Zhao gritted his teeth: "F * ck, I don't care about others. I Can't stand it anymore!"

Mountain Master Zhao said as he jumped towards Hei Xinjiu and helped her cut off the long purple tail behind her!

Seeing this, Master Xiahou and company also made their moves. Hei Xinjiu finally had some time to breathe.

However, this fellow knew that although Master Xiahou and the others had higher spiritual power than her, they were not as freakish as her. They would not be able to hold on for long.

Hei Xinjiu's eyes darted around. Suddenly, her eyes lit up and she shouted at peak master Lian, "Give me the jade token to enter the Earth Tower! Hurry Up!"

Peak Master Lian was stunned by the murderous look on Hei Xinjiu's face. He subconsciously threw a jade token to Hei Xinjiu.

Hei Xinjiu kept the jade token and rushed down the mountain. Soon, a long purple tail gathered behind her..

Master Xiahou and the others were dumbfounded. Why did she want the jade token of the Earth Tower? Could it be that she wanted to enter the earth tower to avoid the lightning? That's right. The earth tower was said to be a divine weapon. It should not be afraid of lightning.

Peak Master Lian prayed in his heart that nothing would happen to his precious earth tower. Otherwise, he would regret it so much that his intestines would turn green!

Due to the continuous lightning strikes, hei xinjiu could not ride on the chopping board, and it was impossible for her to ride a sword. Therefore, she could only rely on her two short legs to run towards the Earth Peak. It was simply killing her!

Hei Xinjiu cursed Xiao Heiniao as she ran, "You dumbass! What's the use of having wings? ! Can't you grow bigger and carry me on your back?"

Xiao Heiniao, who was in the Spirit Beast Bag, stared at the green bean-like eyes without saying a word. It also wanted to grow up quickly, alright? However, other than getting fatter and fatter, its wings did not seem to have grown much. Not to mention carrying its master with a black heart, even it could not fly high enough, alright?

F * ck, there was no other Phoenix that could be as sullen as it was!

The people of the yuan-killing sect were all hiding in their respective dormitories. Occasionally, someone who was close to the roadside would see a scene that they would never forget for the rest of their lives!

They saw a little girl who was three or four years old sprinting with her two short legs, followed by a string of purple lightning. From time to time, purple lightning would strike the little girl's body, but the little girl's speed was not affected at all, she continued sprinting..

Everyone naturally knew who that little girl was. In the Shi Yuan sect, there was only one little girl, and that was Yun Chujiu, that troublemaker!

Heavens, even the heavenly lightning could not kill her? And they still wanted to go against her? Heavens, they were simply out of their minds!

However, from the looks of it, the heavenly lightning would not stop until she was dead. In the end, she probably would not survive! Everyone's hearts were very complicated. Although they despised this troublemaker, they did not want her to be struck to death. They could only hope for her own good fortune!

Hei Xinjiu felt as if all the meridians in her body were about to explode. The reason why she ran so fast was that she wanted to enter the Earth Tower as soon as possible to hide. Secondly, she wanted to release some of her spiritual power. Otherwise, she would really explode and die!

“Master, curly hair said that he wants you to release da Hua so that you can use up some of your spiritual power. Also, Da Hua can help you resist for a while!”Xiao Heiniaio thought that Meng Yanshou’s suggestion was not very reliable, but he still relayed it to Hei Xinjiu.

Hei Xinjiu did not have time to think about it, so she released a group of piglets of spiritual power to deal with the purple lightning behind her.

Wu Yun saw Hei Xinjiu release a group of piglets of spiritual power, and the whole cloud trembled violently. Damn, it was hilarious!
