

## The Yun Family's Ninth Child is an Imp! Chapter 3100

Wu Yun was trembling non-stop. This Little Brat's spiritual beast was actually a bunch of weak piglets? She still had the nerve to release it? It could smash these piglets into pieces with a bolt of heavenly lightning!

As expected, the group of spiritual piglets was instantly struck by the Purple Heavenly Lightning and became dim, unable to resist at all.

Wu Yun was so proud that he trembled. How could such a useless spiritual beast be brought out to embarrass himself? He really overestimated himself!

Just as Wu Yun was feeling proud, he discovered that the spiritual piglets that should have dissipated had regrouped and turned into an incomparably huge purple... pig?

Da Hua changed from his usual lazy appearance. Even his usually droopy big ears stood up. He opened his big mouth and bit down on the purple tail behind Hei Xinjiu!

Wu Yun in the sky shook in disdain. Although this pig was a little strange, it had actually overestimated itself by devouring lightning? It was really a pig! It was too stupid!

Wu Yun could already foresee that the purple pig would be chopped into pieces by lightning. That wretched girl must die today!

However, not only was the purple pig not chopped into pieces, it raised its huge pig head and curled its mouth at Wu Yun. Its expression was the same as Hei Xinjiu's, arrogant and wanting to be beaten up!

Wu Yun trembled again! This time, it was angered!

Damn it! It was too angry!

Not only was that wretched girl detestable, her spiritual pet was also detestable. It did not expect her spiritual beast to be even more detestable!

Wu Yun was so angry that it began to chop da Hua with a crackling sound. It now felt that da hua was even more detestable than hei xinjiu! The moment it thought of being looked down upon by a pig, it instantly wanted to chop da Hua into a roasted pig!

As the Lightning had already struck da Hua, Hei Xinjiu was able to catch her breath for a moment. She panted heavily. Damn it, it had been a long time since she was in such a sorry state!

When Hei Xinjiu turned around, da Hua's figure was already very dim. She hurriedly ran towards the Earth Peak.

**Boom!**

After a bolt of lightning, da Hua was finally chopped into nothingness.

Wu Yun let out a breath of resentment and felt a little better. He continued to chop hei xinjiu, who was fiddling with her short legs.

Hei Xinjiu curled her lips and released a group of piglets with spiritual power again.

Wu Yun was stunned. Before he could recover, da Hua appeared again.

Da Hua raised its front hoof and shook it at Wu Yun.

Wu Yun: "..."

F \* ck!

This damn pig!

If it didn't hack this pig to death today, it wouldn't be called Wu Yun!

Unfortunately, Wu Yun forgot one important thing. As long as Hei Xinjiu had spiritual power, she could release da hua infinitely.

Therefore, Wu Yun had long forgotten her original intention. Instead of attacking Hei Xinjiu, she was competing with da Hua!

Da Hua was obviously infected by Hei Xinjiu. It could easily provoke Wu Yun's anger and attract the power of lightning to itself.

Hei Xinjiu was slightly relieved, but she knew that she had to hurry to the Earth Tower. Every time she released da Hua, it would consume a large amount of her spiritual power.

Although she had the power of lightning stored in the guai Cao and the black bead, she needed time to refine it before the power of lightning could be converted into spiritual power that she could use. She would not be able to hold on for long.

Hei Xinjiu ran wildly all the way until she finally saw the earth tower from afar. She was overjoyed and ran to the front of the Earth Tower.

Hei Xinjiu quickly took out the jade token. Just as she was about to put the jade token into the groove of the Earth Tower, the earth tower disappeared with a swoosh..

Hei Xinjiu: "..."

F \* ck!

How could she play with it like that?

She was going to kill her!
