

The Yun Family's Ninth Child is an Imp! Chapter 3102

Meng Yanshou gritted his teeth in pain. He felt that half of his soul was going to be burnt! He suddenly recalled the miserable scene of his real body being chopped into curly hair by Hei Xinjiu.

It could only be said that the world was too wonderful!

A few years ago, he had been chopped into curly hair by this black-hearted little girl. He did not expect that he would help her block the Heavenly Thunder Now!

“Ouch! Ouch! It hurts so much!”

“Damn it! Just you wait, Wang Banyun. I will deal with you sooner or later!”

“Ouch, my head! Ouch, my butt!”

..

Hei Xinjiu looked at the Meng Yanshou, which was grimacing in pain. How could a half-soul like you have a headache and a pain in your butt?

However, there was no time to ridicule the Meng Yanshou now. It quickly sat cross-legged and sorted out the brutal power of lightning in its body.

The power of lightning was continuously injected into its dantian. As the great void mirror was still in hibernation, guai Cao and the black bead were full. Especially the black bead. It was like a starving ghost reincarnating, constantly devouring the power of lightning.

In less than an hour, the Meng Yanshou could not hold on anymore!

Although it was not afraid of being struck by lightning, it was still half a soul. If it continued to be struck, it would probably enter hibernation.

Hei Xinjiu quickly put Meng Yanshou into the Spirit Beast Bag. After a short rest, she had already recovered a little, so her life wouldn't be in danger for the time being.

However, judging from the situation, the heavenly lightning wouldn't stop for a while. If this continued, she would still die.

Hei Xinjiu stared at the damned Earth Tower in front of her! It would be great if she could force it out!

Hei Xinjiu rolled her eyes. She did not know whether the bait would work or not since it did not match anything. Let's give it a try!

"Hey, Earth Tower, how about we make a deal? As long as you let me hide in there, I will agree to whatever conditions you propose

"I will agree to whatever conditions you propose, be it spiritual stones, gourmet food, or anything else you propose! Let me tell you, there will be no such shop after this village

"Besides, it doesn't matter if you let me go in and hide for a while. Don't tell me that you, a mighty divine weapon, are afraid of such a small Heavenly Thunder?"

..

Just as Hei Xinjiu was mumbling, the Earth Tower appeared!

“One pill for fifteen minutes. Do you agree? It’s the same kind of pill that you refined before,” a sharp voice said.

Yun Chujiu’s eyes flickered. It turned out that it was the tool spirit of the Earth Tower who was laughing at her when she became small. No Wonder Qi Ling knew that she had a pill.

“I agree! I agree! Let Me in. We have money and goods!” Hei Xinjiu said happily.

“Bring the jade token in!”

Hei Xinjiu immediately put the jade token in the groove of the Earth Tower. The door of the Earth tower opened.

Hei Xinjiu waved her finger at Wu Yun in the sky. “Silly Yun, I’m going in. You can play by yourself!”

Wu Yun was so angry that she kept twitching, and several bolts of lightning struck the earth tower.

Unfortunately, the earth tower disappeared with a swoosh, and Wu Yun was so angry that she was smoking! She kept hacking at the place where the Earth Tower disappeared.

When Hei Xinjiu regained her sight, she found that she was in a desert, and there were a few sand sea fox wolves staring at her.

This guy had long been familiar with the trick, so he only beat the few sand sea fox wolves half to death. This way, she could stay on this floor forever, in case of greater danger.

The high-pitched voice sounded, “According to the agreement, give me one pill. Otherwise, I’ll send you out right now.”

“I’ll give you two pills. I’ll rest for an hour before I go out,” Hei Xinjiu said as two ‘rejuvenation pills’ appeared in her hands.
