

The Yun Family's Ninth Child is an Imp! Chapter 3105

Di beiming looked at the little head sticking out from under the quilt and was a little confused. Did he come to the wrong house?

Hei Xinjiu's head buzzed. Why was the Pretty Boy Here? Ah, damn it! No, I must not let him know that she had become smaller. Otherwise, he might not laugh at her.

Hei Xinjiu's long eyelashes trembled and she said softly, "Uncle, are you looking for sister Xiaojiu? She has gone to the earth tower for closed-door cultivation for many days. It is said that she will be in closed-door cultivation for half a year!"

Di beiming:"..."

Uncle? Sister? He grew up for a whole generation out of thin air? Could it be that he looked as much older than Xiaojiu?

"Where is the Earth Tower?"

"The Earth Tower is at the back mountain of the Earth Peak, but you can't use the sound transmission talisman inside." Hei Xinjiu was proud. If that was the case, the gigolo would have no way to verify whether she was inside the Earth Tower. She was too smart!

Di beiming frowned, "Why are you staying here?"

"Uncle, I'm an orphan. Sister Xiaojiu has been taking care of me, so I'm here to help sister Xiaojiu take care of the yard." Hei xinjiu lowered her head, looking sad and lonely. People felt pity for her when they saw her.

Di beiming touched his nose uncomfortably. He felt that it was inappropriate to ask such a little girl, so he said, "In that case, you go to sleep. I'm leaving."

"Take care, uncle. Bye, Uncle." Hei Xinjiu was overjoyed. Luckily, it was night time, and her hair was loose, covering part of her face. Otherwise, she might really be exposed.

Di beiming turned around and walked out of the room, closing the door gently. He frowned. Why did he feel that the little girl was somewhat similar to Little Jiu? Although he couldn't see her face clearly, her sly eyes and tone of voice were very similar to little jiu.

Di beiming shook his head. He must have thought too much. The little girl probably spent more time with little jiu, so their expressions were similar.

Just as Di beiming was about to go to the Earth Peak, he saw the large and small deep holes left by the lightning strikes in the courtyard and frowned.

Since Little Jiu had already gone to the earth tower for closed-door cultivation, why were there traces of lightning in the courtyard?

Di beiming looked at the few deep craters. It was obvious that the Lightning had just struck not long ago. He was suspicious, so he pushed the door open and entered the house again.

Hei Xinjiu was rolling around happily on the bed when she did not expect di beiming to return. In shock, she rolled off the bed and onto the ground.

Hei xinjiu fell with a thud. This guy was stunned!

Di beiming was stunned at first, then he curled his lips unkindly. This little girl was really stupid!

Hei xinjiu rubbed her butt and quickly got up to hide under the blanket, she said with dissatisfaction, "Uncle, you're scaring people to death! Why Are You Back? Didn't I tell you that Sister Xiaojiu is in seclusion?"

"Since Xiaojiu went into seclusion, what's with the deep pit outside?" Although di beiming felt that interrogating a little girl was a little inappropriate, this matter was really strange. He had to get to the bottom of it.

Hei xinjiu blinked her eyes and said, "Those deep pits were struck by lightning. I don't know what happened to them. They were struck for a long time during the day! "Not only this courtyard was struck, many places were also struck. If you don't believe me, you can go and take a look."

Di beiming saw that the little girl was very calm and did not seem to be lying. He thought to himself, maybe it was just a coincidence? These lightning bolts were not specially struck by little jiu?

Although di beiming still felt that something was not right, he would never dream that his little wife would turn into a cute little girl.

Therefore, di beiming frowned and left the house again.
