

The Yun Family's Ninth Child is an Imp! Chapter 3106

Hei Xinjiu let out a long sigh and got off the bed quietly. She looked out through the crack of the door and saw that di Beiming did not leave. He just stood in the yard and looked at the deep pits in silence.

Although Hei Xinjiu wanted to throw herself into di Beiming's arms and cry, she still pouted and returned to the bed with her head drooping.

Anyway, the gigolo couldn't get into the Earth Tower, so he would leave soon. She would make it up to him after she found the antidote.

What Hei Xinjiu didn't know was that when she got back to bed, a wind-blade rabbit jumped out of the flower bush sneakily.

Needless to say, this wind-blade rabbit was Meng Yanshou.

In the evening, it said that it wanted to take a walk outside. Yun chujiu agreed because it had done a meritorious deed today. Anyway, it would not die, so she was not afraid of any danger.

Meng Yanshou, this pervert, dug a hole in the flower bush in the yard and sneaked to the next room to watch the female servant take a bath. Just as it sneaked back, it saw the venerable one.

It felt that this was a great opportunity for it to flatter, so it said flatteringly, "Venerable One, something big has happened! The little girl in the house is the little fairy! She has taken the wrong medicine!"

Di beiming:"..."

"What exactly happened?"

Meng Yanshou explained everything in detail, and then said with a grin, “Your Majesty, I have said it before. I am with the Little Fairy, and my heart is with you. As your beast, I am absolutely loyal to you.”

Di beiming did not speak for a long time. He felt that there were no words to describe his current mood!

He felt heartache, blame, worry, and some inexplicable grievances!

Although the little wife could see but not eat, no matter what, she could still kiss and touch before, but now she had become a little girl. He was not a beast, so how could he do it? !

Meng Yanshou looked at di Beiming’s appearance and secretly sighed with sympathy. Poor Lord, you haven’t eaten anything yet. You’re just like me, a virgin chicken. How Pitiful!

Fortunately, even though it had never eaten pork, it had seen many pigs run. Poor Lord, you probably don’t even know how to give birth to a monkey. You’re too innocent!

Di beiming didn’t know that he had been pitied by a pervert. He calmed himself down and thought of Yun Chujiu’s concealment. His face immediately darkened.

It was one thing for him to take medicine, but he actually lied to him? He even called him Uncle? He called her his own sister? Good, very good! Black Thing, aren’t you willing to pretend? I’ll let you pretend as much as you want!

Di beiming looked at Meng Yanshou with a strange expression. “You did very well this time. I’ll reward you in the future.”

Meng Yanshou immediately expressed its loyalty. “Your Excellency, don’t worry. I’ll continue to work hard in the future! However, you must not betray me. Otherwise, I’ll die a terrible death!”

Di beiming nodded and then turned around to return to the house.

Yun chujiu saw that di beiming had returned, and her heart could not help but beat faster. Why did the pretty boy come back? Could it be that he found something wrong?

“Uncle, why are you back?” Hei Xinjiu asked softly.

Uncle? Good, very good! Di beiming suppressed the anger in his heart and said indifferently, “It’s too late. I will stay here today. I will look for her tomorrow.”

Hei Xinjiu was stunned, then, she bit her lips and said, “Uncle, you’re a man. Although I’m young, I’m still a girl. We Can’t sleep together. Sister Xiaojiu said that whoever wants to take advantage of me will be a turtle bastard!”
