

## The Yun Family's Ninth Child is an Imp! Chapter 3108

Hei Xinjiu stood on the ground in a daze. She saw di beiming occupying her bed openly while she stood alone on the ground like a fool!

“What? Why aren't you leaving? Do you want me to throw you out?” Di beiming turned his body sideways and raised his eyebrows while propping his head with his hand.

Hei Xinjiu was instantly stunned by the beautiful scene in front of her!

This guy had an idea when he saw Hei Xinjiu. He stretched out his claws and wanted to touch her, but he was too small and couldn't touch di beiming even after jumping a few times.

Seeing Hei Xinjiu's funny action, the corner of di Beiming's eyes twitched. He thought to himself, even if he became smaller, he would still be as good as a pervert!

“What are you doing?”

Di beiming's deep voice was like thunder, waking up Hei Xinjiu who was determined to take advantage of him.

Hei xinjiu said embarrassedly, “I, I just want to go to bed and sleep. Uncle, please do me a favor and let me stay here for one night. I'll sleep somewhere else tomorrow.”

Firstly, this guy really did not want to wander around outside. Secondly, this guy was simply mesmerized by her beauty. Previously, di beiming always wore an undergarment. Not to mention touching it, he would not even let her see it. He was so stingy!

She didn't expect him to be shirtless now. If she let go of such a good opportunity, she would regret it for the rest of her life!

Hei Xinjiu's disheveled hair had been tucked behind her ears, so her face could be seen clearly. Di beiming looked at the shrunken face and was slightly dazed. If he and Little Jiu had a daughter in the future, she should be so ice-cold and cute..

Hei Xinjiu saw that di beiming did not speak, so she could only say, "Uncle, Sister Little Jiu said that you are the kindest person. Please take me in."

Di beiming came back to his senses and curled his lips. "It's not impossible to take you in for one night, but there is no free lunch in the sky. You have to exchange something for it, right?"

Hei Xinjiu heard that there was a door and immediately said, "Uncle, I have spirit stones. I have many, many spirit stones. You can have as many as you want."

This fellow felt that beauty was in front of him, so spirit stones and other things should be put aside. Besides, it was not a loss to give the pretty boy a good fortune.

"Spirit Stones? I'm not interested in spirit stones. I'll stay a few more days this time. It's always your sister, Little Jiu, who serves me. How about you be my little handmaiden for the next few days?" Di beiming stared at Hei Xinjiu and said.

Hei Xinjiu was now dazzled by her beauty. Not to mention her little handmaiden, she would probably be willing to sign a contract to sell her body.

This guy kept nodding his head, "Okay, okay. I'm willing to be your little handmaiden. Uncle, can you do me a favor and carry me up?"

Of course, this guy could also jump into bed, but this guy wanted to take advantage of her. He wanted to touch her while di beiming was carrying her, so he said so.

Di beiming knew what she was thinking. He said in a low voice, "You can be my little handmaiden, but don't touch me. If you touch me, I'll Chop Off Your Claws!"

Hei Xinjiu was immediately discouraged!

If I don't Let You Touch Me, why should I be a Bullsh \* t handmaiden? ! She was not sick!

However, with her small body, there was nowhere to go. It was already the middle of the night. She could only nod and say, "Uncle, I'm very obedient. I Won't Touch You!"

Di beiming nodded without batting an eyelid. Then, he saw Hei Xinjiu trying her best to climb onto the bed. Di beiming curled his lips and poked Hei Xinjiu's small head with his finger, hei xinjiu, who was trying her best to climb onto the bed, suddenly fell on her butt..
