

The Yun Family's Ninth Child is an Imp! Chapter 3110

Di beiming gritted his teeth and did not say a word.

After breakfast, Hei Xinjiu was about to clean up the table when di beiming snorted, "Go in and fold the quilt first."

Hei Xinjiu cursed the gigolo a hundred times in her heart before she walked into the bedroom to tidy up the quilt.

Di beiming stood up and cleaned up the table because he was really worried that Hei Xinjiu would have an accident. He decided that it would be better for him to prepare the food in the future.

Hei xinjiu naturally did not know what di beiming was thinking. She thought that di beiming was deliberately torturing her because he was most worried about folding the quilt.

Because she was too small, there was no way for her to flatten the quilt, so she had not folded the quilt recently.

When di beiming walked into the bedroom, he saw Hei xinjiu pouting and a mess of quilts.

Di beiming said in a low voice, "Little Thing, you can't do anything well. Why Do I need a maid like you?"

Hei xinjiu blinked and said, "Uncle, who said that I can't do anything well? I know how to massage my legs and shoulders. I also know how to tell stories."

Di beiming automatically ignored the first two items. He raised his eyebrows and asked, "Tell stories? Okay! Come to the yard and tell me a story now."

After saying that, di beiming turned around and left the house.

He frowned and looked at the messy courtyard. Just when he was about to clean it up, he heard the footsteps of many people outside.

“Junior Sister Yun, we are here to take you for a walk!”

“Junior Sister Yun, have you had breakfast? I brought you warm porridge and steamed buns from the canteen.”

“Junior Sister Yun, we have also prepared snacks and spiritual fruits for you to eat while you are strolling!”

..

Hei Xinjiu dashed out of the house and looked at di beiming, who seemed to be smiling. She laughed dryly and said, “Well, my full name is Yun Xiaohua, so they call me junior sister Yun.”

Di beiming did not expose her. Instead, he pointed at the deep pit on the ground and said, “Let those idiots come in and clean up the yard.”

After saying that, di beiming turned around and walked into the house, leaving Hei Xinjiu, who was very nervous.

Did the pretty boy find out or not? Could he have found out it was her and deliberately made fun of her? The more Hei Xinjiu thought about it, the more likely it was. She suddenly felt that her future was bleak!

This guy immediately vented his anger on the servants and disciples outside, he opened the door with a gloomy face. "Why are you screaming so early in the morning? ! I'm not in a good mood these days, so I don't want to go out for a walk. Come in and tidy up my courtyard."

No one thought that they would flatter the horse's hooves, so they had no choice but to come in and tidy up the courtyard. They were all cultivators, and tidying up the courtyard was a piece of cake for them. It didn't take long for them to tidy up the courtyard.

After Yun Chujiu sent everyone away, she began to walk around the courtyard.

The more she thought about it, the more she felt that di beiming already knew the truth of the matter, and she was still courting death by lying and calling him uncle. He would definitely not let her off.

However, how did he find out?

The Nightmare Beast hiding in the cave tried its best to reduce its presence because it had a bad premonition.

Unfortunately, hei xinjiu still suspected it, hei xinjiu said coldly, "Curly hair, we are not afraid of settling scores. Just you wait! Unless you don't come out, I will kill you and replace you with the shell of a toad."

Meng Yanshou said weakly, "Little fairy, what are you talking about? Why Can't I Understand?"
