

## The Yun Family's Ninth Child is an Imp! Chapter 3111

Yun chujia sneered, "Stop pretending! Just you wait! I Won't forgive you!"

Meng Yanshou didn't dare to say anything. It decided to stay in the cave for the next few days. It could sneak a peek at the female servants bathing anyway. Although they didn't look good, it was better than nothing.

After Hei Xinjiu threatened Meng Yanshou, she sat on the stone bench and swayed her short legs, thinking about how to face di beiming.

She would definitely be scolded!

And maybe the gigolo would beat her up!

After all, the gigolo had a criminal record and once beat her little butt.

The more he thought about it, the more scared he became. In the end, he decided to go to the earth tower to hide and wait for di beiming to calm down before coming out.

Therefore, he sneaked towards the courtyard door. Just as she was about to leave, di beiming said coldly, "Yun Xiaohua, where are you going?"

Hei Xinjiu had nothing to live for. Yun Xiaohua? What a joke! She thought that she had lied to the gigolo, but in the end, he was just playing with her.

Hei Xinjiu turned around and said timidly, "Idol, I was wrong! I shouldn't have lied to you, but I was afraid that you would scold me, so I, I lied."

Hei xinjiu lowered her head and tugged at the corner of her clothes, looking like an obedient baby.

Di beiming snorted coldly, "Weren't you acting well before? Why did you stop acting? Continue acting!"

Hei xinjiu laughed dryly, "My idol, nothing can escape your sharp eyes. Since you have already discovered it, I won't act anymore."

Di beiming did not say anything and walked towards Hei Xinjiu. Hei Xinjiu's heart immediately sank. Oh No! The gigolo was definitely going to teach her a lesson. He might really want to spank her. What should she do?

The gigolo wanted to run, but she knew that she could not escape from di Beiming's grasp. She could only look at di beiming nervously.

Di beiming walked in front of her but did not teach her a lesson. Instead, he grabbed her by the collar and placed her on the stone table. This way, their gazes would be parallel.

Hei Xinjiu was so guilty that she did not dare to look into di Beiming's deep eyes. Just as she was thinking about how to remedy the situation, she heard di beiming say coldly,

"Tell me, why did you call me uncle and call yourself sister? If your explanation satisfies me, I will spare you. Otherwise, HMPH!"

Hei Xinjiu had never dreamed that di beiming would be angry not because she had taken the wrong medicine, but because of the problem between uncle and sister.

She had been spouting nonsense subconsciously. How could she have thought so much about it!

Now, how could she explain it?

“Well, well, it was just a slip of the tongue. My Prince Charming, you will always be the most handsome and youngest in my heart. You are not my uncle, you are my brother.”

Hei Xinjiu finished her sentence and saw that di Beiming’s face was still gloomy. This guy was shameless. She gritted her teeth and said, “If you are really angry, you can call me grandma or grandmother! That way, we will be even!”

Di beiming:” ...”

Hei Xinjiu saw that di beiming’s face was even gloomier. Only then did she realize that she seemed to have made a fool of herself. She hugged di beiming’s neck and said sweetly,

“Brother beiming, brother husband, Brother Lover, don’t be angry! It’s my fault! It’s all my fault! I shouldn’t have taken the medicine carelessly, I shouldn’t have lied to you, and I shouldn’t have called you uncle. Dear Brother Ming, please forgive me!”

Meng Yanshou, who was in the cave, almost vomited when he heard Hei Xinjiu’s mushy words! No wonder the ten-thousand-year-old single dog was taken by this little girl. This shameless strength was simply invincible!
