

## The Yun Family's Ninth Child is an Imp! Chapter 3116

The hawk-nosed disciple thought very simply. In any case, the situation was chaotic. Even if he killed the rabbit, Yun Chujiu would not find out.

Moreover, even if he found out, he would not be able to do anything to him. It was just an ownerless rabbit.

Unexpectedly, the two-headed rabbit jumped to the side and dodged the hawk-nosed Disciple's palm. Moreover, several wind blades and fireballs were thrown at the hawk-nosed disciple.

The hook-nosed rabbit was dumbfounded!

This rabbit could actually use two kinds of spiritual power attacks? And it could also use them at the same time?

The hook-nosed rabbit was startled and dodged a little too slowly. A few cuts were made on its left arm, and a few strands of its hair were charred. It was in a very sorry state.

Everyone was shocked by this unexpected turn of events!

The hook-nosed rabbit was an inner sect disciple at the eighth layer of the spiritual void tier. How could it be injured by a first level wind blade rabbit? How could this be possible?

The few oddly-shaped rabbits immediately surrounded the aquiline nose in the middle and revealed an angry expression. It was obvious that they were united against the same enemy and were prepared to gang up on him.

The aquiline nose felt as though he was cursing a dog in his heart!

What kind of monsters were these? ! Why were they so difficult to deal with? !

Hei Xinjiu sat on top of the giant rabbit and narrowed her eyes. Aiyo, there was actually an unexpected harvest! She did not expect that these wind-blade rabbits had become stronger!

Although these wind-blade rabbits' spiritual power seemed to be at level 1, their strength was definitely not at level 1. No wonder Mao Mao Qiu could not keep them into the great void mystic realm. It was because their spiritual power had become stronger!

When the hawk-nosed man saw Yun chujiu turn around, he said in exasperation, "Yun Chujiu, your rabbit hurt me for no reason. What do you say?"

"Hurt you for no reason? Why didn't it hurt others specifically? Is it because you're good-looking? Cut the crap. You provoked my rabbit for no reason. Pay Up! Otherwise, I'll let the Rabbit Army Destroy You!"

As soon as Hei Xinjiu finished her words, the long-haired rabbit's hair suddenly stood up and tied the hawk-nosed man up firmly. It also hit the hawk-nosed man's face several times with its tail.

Instantly, the hooked nose's face was swollen like a pig's head!

The disciples who were eating melon seeds immediately retreated. Oh My God! These rabbits were too... perverted!

How was this a rabbit? It was even more ferocious than a tiger!

This Yun Chujiu was originally very difficult to deal with. Not only did she have countless talismans in her hands, but she also had that huge purple pig. Now, she actually got a bunch of perverted rabbits from God knows where. Who would dare to provoke her in the future!

That hawk-nosed man had a swollen face. He gritted his teeth and said, "Yun Chujiu, don't go too far!"

"Go Too Far? I'm going to bully you. What do you think? ! Do you want to go on the competition stage? I'll accompany you anytime! However, if you don't compensate me today, I'll directly kill you!"

A soft child's voice and a delicate little face that was carved out of jade were completely different from cute in the eyes of the crowd. The only word they could think of was 'brutal'! Too Damn Savage!

The aquiline nose roared fiercely, "If you kill me, you won't be well either! I don't Believe You Dare to kill me! ! You Slut ! It was because of you that junior sister Shanshan died. It was because of you that senior brother Qu Quan died ! Do you know why you became a child ? Because this is retribution ! You will die a horrible death!"

Yun chujiu narrowed her eyes. Qu Shanshan and Qu Quan had both lost their lives because they had pledged allegiance to Murong Hanlie. It seemed that this hawk-nosed man was Qu Shanshan's admirer.
