

The Yun Family's Ninth Child is an Imp! Chapter 3118

Yun chujiu did not care about this, but the Meng Yanshou was a little unhappy.

The reason was very simple. Since the female servant had moved away, it could not peep at people bathing.

Yun chujiu could not be bothered with this pervert. These days, she often went to the library to find some records about Buddha Lotus.

Yun chujiu often went to the library in the morning and only returned to her dormitory in the evening.

That afternoon, Yun Chujiu received a message from Leng Kui, saying that he had something to look for her, so she had to leave the library in advance.

“Junior Sister Little Jiu, my master wants you to go to the meeting hall,” Leng Kui said with a conflicted look.

Yun Chujiu didn't take it seriously and followed Leng Kui to the meeting hall on the giant rabbit.

Halfway there, Leng Kui coughed and gritted his teeth. Then he said, “Junior Sister Little Jiu, do you, do you know why Master is looking for you?”

Yun Chujiu was stunned. “How would I know? Do you know?”

Leng Kui's face showed a trace of uneasiness. “I, I don't know either. You can ask Master Yourself!”

Yun chujiu narrowed her eyes. “Senior brother Leng Kui, why is your face so Red? Does the sect master want me to marry you?”

Bang!

Leng Kui sat on the ground!

“Junior sister Xiao Jiu, don’t scare me. I don’t dare to Marry You!” Leng Kui was obviously frightened.

Hei Xinjiu:” ...”

Damn it, was she being despised? Although she had become a little girl now, it was not like she could not change back. was there a need to despise her so much?

Leng Kui saw that Yun Chujiu’s small face was covered with a layer of frost, he quickly changed the topic. “Junior sister Xiao Jiu, forget it, I’ll tell you! Recently, many female disciples have complained that a few lecherous rabbits peered at them while they were bathing, and they even stole their bellies, purses, and other inner garments.

“The rabbits they described were those few weird-looking rabbits of yours. Other than the giant rabbit you’re riding now, the rest are all suspects.

“Moreover, it’s said that the most rampant one is an ordinary wind-blade rabbit. However, it relied on the protection of the other strange rabbits, and the female disciples were helpless against it.”

Hei Xinjiu almost fell off the back of the giant rabbit. She knew with her toes that this was all the fault of Meng Yanshou!

Those rabbits were obedient to him, so they were naturally ordered by him!

If it wasn't for it, the rabbits wouldn't have done such a thing, not to mention there was a eunuch rabbit among them.

Yun Chujiu gnashed her teeth in anger. No wonder the Meng Yanshou had been so quiet recently. It didn't even read its speech book. It had found a new joy in life, this pervert! This hoodlum, Rabbit!

Although Yun Chujiu wanted to deal with the Meng Yanshou, the Meng Yanshou and the rabbits were all in Yun Chujiu's courtyard, so she could only go to the meeting hall first.

Seeing that Yun Chujiu didn't say anything, Leng Kui knew that this matter was most likely true. He said worriedly, "Junior sister Xiao Jiu, those female disciples are all furious. You have provoked the public's anger this time. You have to be mentally prepared."

Hei Xinjiu's heart was like a muttering dog. If she were the person involved, she would also be furious to death. Damn curly hair! This time, she would definitely not let it off!

Soon, the two of them arrived at the meeting hall.

Yun Chujiu saw that there were more than a hundred female disciples standing in the meeting hall. The corners of her eyes twitched. Curly hair was not picky about food. Some of the female disciples were really ugly. How could he have the appetite to peek at them?

When the female disciples saw Yun Chujiu enter, they glared at her angrily. However, because of Yun Chujiu's cruelty, no one dared to make a sound. Otherwise, they would definitely scold Yun Chujiu until she was covered in blood!
