

## The Yun Family's Ninth Child is an Imp! Chapter 3119

Master Xiahou felt that his head, which had not hurt for a long time, started to hurt again. The origin killing sect had existed for tens of thousands of years, and this was the first time that a disciple's spiritual pet had peeked at someone else taking a bath, and even shamelessly stole their undergarments.., it was simply too embarrassing!

Master Xiahou's old face was slightly uncomfortable as he said, "Yun chujiu, these female disciples reported that the few rabbits you raised peeked at them taking a bath, and even stole their undergarments. What do you have to say?"

Although Yun chujiu felt like she was cursing a dog in her heart, she looked like she shared a common enemy. "What? There's actually such a thing? If it's true, I will definitely not let those lecherous rabbits off! This is too much!"

Don't they know that a woman's reputation is very important? Senior Sisters, don't worry. If those lecherous rabbits really did it, I will definitely give you justice!"

The female disciples saw that Yun Chujiu was so upright, so their anger calmed down a little. Then, they heard Yun chujiu ask, "Which senior sister can tell me what happened?"

A female disciple who was a little braver said, "A few days ago, when I was taking a shower, I could hear some strange noises. However, there was nothing wrong with checking. I thought I was overthinking.

"However, later, I accidentally found a hole in the corner of the bedroom. That's when I found the two damned rabbits! They dug a hole from the flowers in my yard. One of them is a five-legged rabbit, and the other is an ordinary wind-blade rabbit. Its body is white, but its ears are black."

The rest of the women saw that someone had taken the lead and started to talk about what had happened. Yun chujiu found that without exception, every time she peeked, there was that damned curly hair. The culprit was none other than it!

“Senior Sisters, I will go back to the courtyard now to interrogate those perverts. If it’s true, I will not let you suffer in vain.”

After Yun Chujiu finished speaking, after getting the approval of Master Xiahou, she rode the giant rabbit back to the courtyard angrily.

The Nightmare Beast and the few perverted rabbits thought that Yun chujiu would come back in the evening today, so they gathered together to study a few bellies and purses.., meng Yanshou said with an experienced, lecherous tone, “See? I bet that Liu Yanyan’s undergarments are pink. Am I right?”

The lecherous rabbits chimed in a few times, and the eunuch rabbit even raised one of its claws to express its admiration for Meng Yanshou.

Hei Xinjiu was so angry that she almost vomited blood!

You F \* cking eunuch rabbit still hasn’t given up? Shameless!

“What are you doing? ! Curly hair! I should have changed you into a Toad’s shell to prevent you from peeking at me while I’m bathing! All of you, get over here!”Yun Chujiu said angrily while holding a large kitchen knife.

Meng Yanshou almost fainted from fright!

Meng Yanshou rolled its eyes, he grinned and said, “Little Fairy, calm down! Calm down! You’ve wronged us! We’re going to scout for information so that they won’t harm you. As for peeping at them bathing, it was just a side trip. Who asked them to take a bath when they had nothing to do? Is It My Fault?”

Yun chujiu was so angry that she was amused!

“Side trip? Then these bellies and purses were also stolen by the side trip? You really know how to take a side trip! Now that the female disciples have gone to complain, tell me, what do you plan to do?”

Those few rabbits were originally instigated by the Meng Yanshou, so they all looked at the Meng Yanshou with eager eyes.
