

The Yun Family's Ninth Child is an Imp! Chapter 3120

Meng Yanshou grinned and said in a fawning manner, "Little Fairy, you definitely can't bear to Kill Us, right? You definitely have a way, right?"

Yun chujiu curled the corners of her lips. "I naturally have a way, and that is to kill you all to appease the public's anger! After killing you all, we can eat stewed rabbits tonight!"

The few rabbits immediately wilted. Although they did not establish a contract with Yun Chujiu, they were inexplicably afraid of Yun Chujiu.

If Yun Chujiu wanted to kill them, they did not dare to resist at all, and could only obediently be killed.

Seeing this, the Nightmare Beast opened its red eyes and said heroically, "If you want to kill me, then kill me! One rabbit does things and the other rabbit takes the blame. They were all instigated by me, and I am the main culprit!"

Yun chujiu glanced at it with disdain. "Stop acting like a hero! They don't know that you can't die, so how can I not know? ! Alright, I'll use you to shut their mouths! Hand over the stolen inner clothes first."

Meng Yanshou reluctantly took out the inner clothes that were hidden in its own space and spread them all over the floor.

The corner of Yun Chujiu's eyes twitched violently and she glared at Meng Yanshou. "Is this all? Take them out for me!"

Meng Yanshou took out a few precious editions in pain and said regretfully, "Little Fairy, look at how exquisite the embroidery is! I was planning to keep them for my wife in the future!"

Yun Chujiu:" ..."

Are you a retard? You gave your wife someone else's belly and pocket? Aren't you afraid of being beaten into a pig's head?

Hei xinjiu snorted coldly and hacked Meng Yanshou's shell to death with a large kitchen knife.

Then, she took out a rabbit from the great void Mystic Realm and said to the meng yanshou, "Use this to drive the shell!"

The Meng Yanshou was secretly delighted. It did not expect that the little girl, Hei Xinhuang, did not blame it. The Sun had really risen from the north!

However, when the Meng Yanshou possessed it, it was immediately dumbfounded!

F * ck, this, this was actually a female rabbit!

It couldn't be played like this!

Was it trying to turn it into a man, a woman, a demon? !

Yun chujiu ignored the Meng Yanshou that was seeking death and carried the wind-blade Rabbit's corpse back to the meeting hall.

Yun chujiu pointed at the wind-blade Rabbit's corpse on the ground and said, "Senior Sisters, I've asked around. Those rabbits were instigated by this lecherous rabbit, so they did the wrong thing. After I asked around, I killed it with one slash!

“As for the other few, they are only accomplices. Moreover, one of them is a eunuch rabbit. If it weren’t for this damned lecherous rabbit, they wouldn’t have done such a thing.

“Moreover, I brought them out of the Earth Tower. Maybe one day, the tool spirit of the Earth Tower will take them back, so can you spare their lives for the time being?

However, don’t worry. I Won’t let you suffer in vain. I will compensate you for your mental damage.”

The female disciples looked at the wind-blade rabbit on the ground. It was indeed the one that had peeked at them. Each of them gnashed their teeth in hatred. They wished that they could make a few more stabs.

Everyone looked at each other. Yun chujiu was not someone to be trifled with. They had already done things to this extent, so there was no need for them to probe further. Moreover, they were just a few lecherous rabbits, other than being angry, there was not much to lose.

“Junior Sister Yun, since you say so, we can’t say anything more. We can discuss the amount of compensation later. Can you return the clothes that the lecherous rabbit stole to us?”The bold female disciple said.

Even if the girl’s inner clothing was destroyed, it could not fall into the hands of others. If it fell into the hands of a male disciple, it would be hard to say.
