

## The Yun Family's Ninth Child is an Imp! Chapter 3122

An Linchuan and Shangguan Hao widened their eyes. Oh My, where did the essence-killing sect get these strange rabbits?

And who was that little girl? Could she be the granddaughter of one of the elders of the essence-killing sect?

The two of them looked at Leng Kui who was behind the rabbits. An linchuan shouted, "Leng Datu, where is our little ninth junior sister?"

When Leng Kui heard an Linchuan call him Leng Dadi, his face immediately darkened. His heart skipped a beat. He pointed at Yun chujiu and said seriously, "Isn't this little ninth junior sister? Don't tell me you can't even recognize little ninth junior sister?"

An Linchuan was stunned at first, then he laughed so hard that he almost rolled on the ground!

"Haha! Leng Dadi, I think your head has been kicked by a Spirit Beast, right? How can a little, milk, baby be my little ninth junior sister? ! If little ninth junior sister became like this, wouldn't she still have to hit the wall? !"

Yun Chujiu's small face was instantly covered with a layer of frost. Unfortunately, an Linchuan wouldn't pay attention to the expression of a little girl. He then laughed loudly and said,

"Leng Datu, even if you want to lie to me, you have to use your brain, right? "Junior sister little ninth is the hero of the human race and my idol. How could she become a baby who hasn't been weaned yet? "Look at her small arms and legs. She probably can't even lift a chicken, let alone beat the nightmare clan."

Leng Kui saw Yun Chujiu's stern face and lit a candle for an Linchuan in his heart, with a gloating look in his eyes, he said, "An Linchuan, what I said just now was the truth. Junior sister Jiu has become like this because of some unforeseen events. If you don't believe me, you can ask her yourself."

An Linchuan was not willing to believe him. Just as he was about to continue shouting, Shangguan Hao pulled him and said in a low voice, "Look at that little girl's appearance. She looks very similar to junior sister Jiu. I'm afraid, I'm afraid what he said is true."

An Linchuan then carefully observed Yun Chujiu's appearance. He was shocked. She really did look alike! However, he still did not believe it. He curled his lips and said,

"Alright, Leng Datu. You really went all out just to tease us! You actually found a little doll that looks so much like junior sister Xiao Jiu. However, no matter how similar she looks, she can't be junior sister Xiao Jiu."

Leng Kui snorted coldly. He could not be bothered with this idiot. He turned his head and said to Yun chujiu, "Junior sister Xiao Jiu, I'll go back first. I wish you a safe journey."

Yun chujiu nodded. "Thank you, senior brother Leng Kui."

An Linchuan saw that Leng Kui had really turned around and entered the mountain gate. He looked at Yun Chujiu in disbelief, his mouth was wide open. "Junior sister Xiao Jiu, you... you... It can't Be You, right? How did you become a little girl? Three or four years old?"

Yun chujiu gritted her teeth in anger. "Long fur, tie him up!"

The long-haired rabbit was just about to redeem itself when it heard Yun Chujiu's order. Its hair immediately grew out and wrapped itself around an linchuan.

An Linchuan was completely dumbfounded!

Was this a rabbit or was this hair turned into a spirit? How could there be such a move?

An Linchuan hopped and managed to dodge the long-haired Rabbit's attack. Before he could heave a sigh of relief, he saw the two-headed rabbit attacking him with fireballs and wind blades.

An Linchuan's heart was filled with rage! Have all the rabbits in the Yuan killing sect turned into spirits? How could there be a rabbit with dual spiritual power attacks?

Shangguan Hao had already confirmed Yun Chujiu's identity and pleaded on the side, "Junior sister Xiao Jiu, junior brother An's brain isn't working properly, please spare him!"

An Linchuan:" ..."you're the one who's brain isn't working properly!
