

## The Yun Family's Ninth Child is an Imp! Chapter 3123

Of course, Yun Chujiu didn't really want to do anything to an Linchuan. She just wanted to teach him a lesson. Therefore, she snorted coldly and called back the two rabbits.

An linchuan wiped the sweat from his forehead, he said in disbelief, "Junior sister Xiao Jiu is really you? Oh My God! How did you become like this? Can You Walk Now? Definitely not. Otherwise, you wouldn't be riding on the rabbit. Poor junior sister Xiao Jiu..."

Yun chujiu gritted her teeth and jumped up from the giant rabbit. She kicked an Linchuan in the front.

An Linchuan didn't expect Yun chujiu to suddenly attack him. He was immediately kicked away and then tied up by the long-haired rabbit.

Yun chujiu walked to him with her short legs and kicked him. "Not only can I walk, but I can also kick people!"

An Linchuan cried out in pain. Damn it, junior sister Little Jiu had become smaller. How could she be so narrow-minded? ! However, this kick was really painful!

"Junior Sister Little Jiu, I was wrong! I was wrong! Please spare me!"

Yun chujiu glared at him and then let him go. She snorted coldly and ignored him.

Although Shangguan Hao was full of curiosity, he tactfully did not ask. The three of them boarded the flying spirit tool and returned to the primordial chaos sect.

An linchuan clearly remembered to eat but not to hit. He approached Yun Chujiu and said with a cheeky smile, "Junior sister Xiao Jiu, how did you become a little doll? Are you trying to make up for your lost childhood?"

Shangguan Hao lit a candle for him. He was really seeking death!

As expected, an Linchuan's scream and begging for mercy soon rang out from the flying spirit tool.

However, after an Linchuan's ruckus, Hei Xinjiu had come to her senses. It was nothing more than a mocking and surprised look. What was there to be afraid of? !

Therefore, when the flying spiritual device landed in front of the mountain gate of the mixed origin sect, Hei Xinjiu rode the giant rabbit and swaggered into the mountain gate.

The disciple on duty at the mountain gate of the mixed origin sect stopped Yun Chujiu. "Little kid, not everyone can enter the mixed origin sect. Please Show Your Jade Token."

Yun chujiu glanced at them and took out her identity jade token.

"Yun... Yun Chujiu? You... You Are Yun Chujiu?"The disciples looked as if they had seen a ghost. How did Yun Chujiu become a little girl?

The disciples were stunned when they saw an linchuan and Shangguan Hao nodding behind Yun Chujiu. Was this little girl really the bad guy?

Yun Chujiu took back her identity jade token from the disciples and rode away on a giant rabbit with a bunch of rabbits.

The disciples were speechless. They wanted to say that it was forbidden to ride spirit pets in the primordial chaos sect, but when they thought that the bad news bag was the one who violated the sect rules, they pretended to be blind.

Although Yun Chujiu had become smaller, it was better to not offend her.

An Linchuan and Shangguan Hao nodded at the disciples and quickly chased after Yun Chujiu.

Yun chujiu and her string of rabbits immediately caused the chaos sect that had been silent for several months to explode again!

“Who is the little girl sitting on that Big Rabbit? Why haven’t I seen her before?”

“DAMN! What are those things behind her? Are they rabbits too?”

“They should be rabbits, right? But this is the first time I’ve seen such a strange-shaped rabbit. Judging from the level of spiritual power, it seems to be only level one. How can there be such a low-level demon beast in the Immortal Essence Continent?”

..

An Linchuan and Shangguan Hao looked at each other. As soon as little ninth junior sister returned, the Chaos Origin sect immediately became lively. It was an instant effect!
