

The Yun Family's Ninth Child is an Imp! Chapter 3125

When Yun Chujiu arrived at the dormitory, Jin Zhi and ye Bingyu were already waiting there.

Yun chujiu had thought of many possibilities, but she did not expect it to be like this:

Jin Zhi and ye Bingyu held Hei Xinjiu's little face and could not put it down. They changed her hairstyle, brought her a garland, and even changed her clothes. What was going on? !

F * ck! Did they treat her like a doll?

An linchuan laughed and Shangguan Hao could not help but laugh. Junior sister Jiu had turned from a bad person into a cute little bun. She was so cute!

Yun chujiu finally got rid of the two girls who were obsessed with her. She held her chin and thought about her next step.

After thinking about it, she decided to go to the library and read the books. Even if she could not find the antidote for the rejuvenation pill, she could at least gain some knowledge.

Therefore, the next day, after Yun Chujiu had breakfast, she rode the giant rabbit to the library of the Hunyuan sect.

"Senior brother, I want to enter the second floor of the library," Yun Chujiu said to the disciple who was guarding the library.

That disciple was the Liu Shun who made things difficult for Yun Chujiu when she first came to the library, he curled his lips and said, "Yun Chujiu, you servants can only read books on the first floor of the library. Have you become smaller in size and smaller in brain?"

Suddenly, there were snickering sounds around. Yun Chujiu realized that many disciples had gathered around the library. They were probably here to watch the show.

“Who said I’m a handyman? I’ve already become an inner disciple. If you don’t believe me, you can check my identity jade token,” Yun Chujiu said coldly.

Liu Shun laughed loudly. “Yun Chujiu, it seems that your brain is really not working!” You? An inner disciple? The sect competition hasn’t even started yet, how did you become an inner disciple? Don’t tell me that you’ve broken through to the ethereal level?”

The surrounding people also started to jeer. They were all saying that Yun Chujiu had become smaller and her brain was no longer working.

Yun Chujiu’s small face was gloomy like water as she said coldly, “I’ll ask you one last time, are you going to go through the procedures?”

Liu Shun was frightened by the murderous aura on Yun Chujiu’s body, then he said angrily, “No! Yun Chujiu, do you still think you are the Yun Chujiu of the past? You are now a waste! A waste that is not even three feet tall! I can crush you to death with one finger!”

“Good, very good. I will show you who is a waste today.” Yun Chujiu’s small face suddenly revealed a smile, but that smile made people feel a bone-chilling chill.

Before everyone could react, Liu Shun had already been sent flying by Yun Chujiu’s kick. Yun Chujiu’s kick was much stronger than the one she used to kick an linchuan.

Liu Shun was like a kite with a broken string. He crashed into a large rock hundreds of feet away.

Liu Shun, who was hit until he saw stars, did not have the time to stand up. The huge rabbit's butt smashed into his body. Liu Shun choked and immediately fainted.

The giant rabbit reached out its paw and slapped Liu Shun's face twice. More than half of Liu Shun's teeth fell out of his mouth. If the giant rabbit had not used its full strength, his head would have been blown away.

"Can we do it now? If we still can't do it, then let's change people!" Yun Chujiu said with a faint smile.

Liu Shun glared at Yun Chujiu, but he still got up and helped Yun Chujiu go through the procedures for the second floor of the library.

When Yun Chujiu entered the library, Liu Shun immediately knelt down to everyone. "My fellow disciples, Yun Chujiu has really gone too far! I will go to the law enforcement office to complain. I hope everyone can bear witness for me."
