

The Yun Family's Ninth Child is an Imp! Chapter 3128

As the two super sects, the chaos origin sect and the killing origin sect each had their own sphere of influence and had quite a few affiliated sects.

The moment they started the war, almost half of the immortal essence continent was involved.

Alliance Master Yan of the Sky Bearing Alliance hurriedly mediated from the middle, hoping that the misunderstanding could be cleared up and the tense situation could be alleviated.

Alliance Master Yan's thoughts were pretty good, but both sides had been blinded by anger. No matter how clever he was and how eloquent he was, he was still unable to ease the tense situation.

The killing Origin sect and the Chaos Origin sect clashed one after another. For a moment, everyone was in a panic. The cities near the two sects had almost become empty cities.

As the conflict intensified, both sides were bloodthirsty. They agreed to fight to the death in Qingyuan Valley on the fifth of June.

Soon, it was the fifth day of June.

Master Baili and Master Xiahou each brought their elites to Qingyuan Valley. Alliance Master Yan also arrived with the people from the Sky Bearing Alliance. He tried his best to persuade Master Baili and Master Xiahou.

Alliance Master Yan talked about the relationship between the two sides from the interests of the human race. Finally, he let out a long sigh, "The two sects are originally from the same sect. They are like branches. Why do we have to fight each other?"

Master Baili and Master Xiahou showed hesitation on their faces, elder Gui Yi of the primordial murder sect said while coughing, "Martial nephew Xiahou, although what Alliance Master Yan said makes sense, the primordial chaos sect is ruthless and merciless. They killed countless of our disciples. We have to take revenge.

"Now, there is only one solution. That is to destroy the primordial chaos sect and bring the disciples of the primordial chaos sect into our primordial murder sect. This way, there will be no more conflicts and conflicts in the future."

When the people of the chaos origin sect heard elder Gui Yi's words, they were instantly enraged!

This was simply Bullsh * T! Why didn't he say that he would merge the killing Origin sect into the chaos origin sect? Their chaos origin sect was vicious and merciless? It was clearly the killing origin sect that had killed the disciples of the Chaos Origin sect in a sinister and crafty manner.

Immediately, both parties started quarreling again.

Alliance Master Yan revealed a helpless expression. It seemed that this big battle was unavoidable! Once this big battle started, regardless of whether it was the murderous origin sect or the Hunyuan sect, they would suffer heavy losses.

If the Yan clan suddenly attacked at this time, the human defense line would probably be completely defeated. At that time, the lives of the people would be plunged into misery, and the consequences would be unimaginable.

Just as Alliance Master Yan was thinking about it, the two sides had already started to fight. He could only take his men and retreat a little to avoid being implicated.

Leng Kui and an Linchuan were fighting. Leng kui said coldly, "An Linchuan, for the sake of our past friendship, I'll cover you and Shangguan Hao to leave this place."

An linchuan snorted coldly, "Then I really have to thank you! But our primordial chaos sect doesn't have cowards who run away at the last minute! Let me give you a piece of advice. Your murderous primordial chaos sect will definitely suffer a crushing defeat. I'll cover you. You can leave!"

Leng Kui did not reply. He tightened his attacks and the two of them started fighting.

Master Xiahou and Master Baili were also fighting each other, master Baili said while fighting, "Xiahou Lin, I originally did not have the intention to cause any more trouble, but why did your murderous primordial sect force us repeatedly? ! If you did not kill our disciple, why would we fight? !"

"Don't F * cking say nice things, do you think I'm Willing? ! It's all because your primordial chaos sect didn't do things properly ! Not only did you kill so many of our disciples, you even tried to assassinate our Grand Elder. You are purely trying to destroy our Shi Yuan sect!"

"You, you are slandering people, it wasn't our primordial chaos sect who did it!"

"It wasn't your primordial chaos sect who did it, could it be that our shi yuan sect did it ourselves?"

..

Just as chaos broke out, there was a loud bang!
