

The Yun Family's Ninth Child is an Imp! Chapter 313

Elder Xiao was a straightforward person. When he heard Elder Zhang's words, he felt a little embarrassed. He actually had two million points less than the other party. It was really too embarrassing!

There was an outstanding person from the Heavenly Gates Sect, Su Yanran. The new disciples from the Spirit Radiance Sect really could not compare to her. Su Yanran alone had obtained nearly one million points.

Elder Qu was much more thick-skinned. He laughed out loud, "Elder Zhang, this trial isn't over yet, right?! Perhaps there will be more disciples from Spirit Radiance Sect coming out!"

Elder Zhang laughed coldly. "Elder Qu, are you dreaming?! It was impossible for anyone to come out alive. Even if there were disciples coming out, would they be able to obtain two million points? No matter how powerful he is, would he be able to surpass Su Yanran? Su Yanran obtained nine hundred and seventy thousand points!"

"I won't argue with you verbally. Let us wait and see!" Elder Qu rubbed his nose. "Hmph, what do you know? We still have a little weirdo who hasn't come out yet! As soon as that consecutive Little Jiu thunderbolts is released, the low-level demon beasts would immediately choke on their farts!"

"Good! It hasn't even been a month yet anyway. I'd like to see which other remarkable disciples from your Spirit Radiance Sect will come out alive!" Elder Zhang curled his lips. The sect was at its wit's end now, and they actually used such a clumsy excuse to cover it up.

As soon as Elder Zhang finished speaking, the ancient mystic realm began to tremble violently.

A huge wave of air knocked over the nearby disciples, and everyone immediately fell into chaos.

"What's going on? An earthquake?"

“Could it be that the mystic realm is about to collapse? That’s too scary!”

“No wonder the mystic realm was so suffocating earlier. Could it be that this mystic realm is about to self-destruct?”

“Heavens! We should hurry and get further away! This is an ancient mystic realm! If it really is about to self-destruct, it will definitely blow us up till there isn’t even any residue left!”

...

The two pieces of the great void mirror that were suspended in mid-air began to tremble violently. Elder Zhang rolled his eyes and retrieved the piece from the Heavenly Gates Sect to prevent it from being damaged.

Elder Xiao and Elder Qu looked at each other. The two of them did not move. Yun Chujiu was still in the mystic realm!! If they kept the pieces of the Great Void Mirror, Yun Chujiu would not be able to come out!

When Elder Zhang saw this, he could not help but mock and ridicule, “What? Are you guys still harboring fantasies? There must be something wrong with the mystic realm! It might even collapse! Not to mention the disciples of Spirit Radiance Sect, even the demonic beasts inside will all die.”

“Impossible! Little Jiu will not die! Little Jiu will definitely come out!” When Yun Chuwu and the others heard Elder Zhang’s words, they did not care about their status and roared.

Elder Zhang gave them a sinister look and then released his pressure on Yun Chuwu and the others.

How could Yun Chuwu and the others' cultivation base withstand Elder Zhang's pressure? Their legs went weak and they almost knelt on the ground.

Elder Qu raised his hand and neutralized Elder Zhang's pressure. He said unhappily, "What does this mean?! They are just worried about their fellow disciples. Have provoked you?"

Elder Zhang said coldly, "They're just servants of your sect, and they were being disrespectful to me. I only gave them a small warning! Besides, that Yun Chujiu is dead for sure! She's just a trash who plays tricks!"

Before Elder Zhang finished his words, an item popped out from the ancient mystery dimension.

With a loud crash, it fell to the ground!

"Hiss! I've fallen to my death! Tsk, everyone is here! Everything is fine, right?"

Everyone took a closer look and saw that it was a little girl who fell out. Her eyebrows were sharp and her two little tails behind her head were trembling. Who else could it be other than the treacherous Yun Chujiu?!
