

The Yun Family's Ninth Child is an Imp! Chapter 3135

Although everyone felt that Hei Xinjiu's smug look deserved a beating, when they thought of their reckless actions this time, their faces burned.

Although they were not 100% sure that this incident was caused by the Divine Devil Hall, there was a 90% chance that they had fallen into a trap. It was simply too embarrassing!

On the other side, Hei Xinjiu had just entered the courtyard when she saw Meng Yanshou leading the other four rabbits in the courtyard to obediently stand in a line to welcome her.

"Little fairy, it's great that you've returned safely! I knew that little fairy would be blessed with great fortune and good fortune. She'll definitely be fine," Meng Yanshou came over and said eagerly.

Yun chujiu glanced at it. "I wasn't here during this period of time. You didn't do anything good, right?!"

Meng Yanshou shook its head guiltily. "Little fairy, I've already changed my ways! Besides, I'm a woman now. Why would I peep at a female disciple taking a bath?"

After Meng Yanshou finished speaking, SANBAN's mouth twitched. Oh No! There was no silver here!

Yun Chujiu kicked Meng Yanshou away. "You Dumbass! Looks like I have to turn you into a toad, or else you'll always be a hoodlum, a rabbit!"

Meng Yanshou almost lost half of his life from the kick. He said with a trembling voice, "Little fairy, I, I can make up for it! I didn't peep at you bathing for nothing, I've made a big discovery!"

Yun chujiu squinted her eyes. "What big discovery?"

Meng Yanshou laughed a few times, then he said, “Recently, when we peeked at the female disciples taking a bath, we also watched a few hot and passionate performances. From their conversation, we learned that a few of them were spies from the Divine Devil Hall.”

Yun Chujiu was stunned. She didn’t ask why Meng Yanshou didn’t tell Master Baili and the others about this information. The reason was very simple. If Meng Yanshou were to rashly inform them, master baili might not believe it, most likely, these rabbits would be silenced, and Meng Yanshou’s identity would be exposed.

Meng Yanshou was very smart. Naturally, it wouldn’t do such a stupid thing.

“Tell me, what did they say? Who are they?”

“Damn it! Why didn’t you come find me for so long? I missed you so much...”

“Shut up! Tell me the main point!” Yun chujiu was so angry that she wanted to kick Meng Yanshou to death. This guy was getting more and more wretched.

Meng Yanshou smiled embarrassedly and quickly told her the important things, after saying that, he took credit for it to Yun Chujiu. “Little Fairy, I told you that I was spying on them and watching them take a bath. You Didn’t believe me? Now do you believe me?”

Yun Chujiu didn’t have time to pay attention to it. She told Master Baili the names of the people that Meng Yanshou told her through the identity jade token. She told him to immediately control these people and interrogate them.

She thought for a moment and asked Master Baili to arrest Liu Shun again. This time, she was in a dangerous situation. It must be Liu Shun’s doing.

After Yun Chujiu finished giving her instructions, she placed the Stone Pi Xiu behind the courtyard and the stone lion in front of the courtyard.

Then, she let Meng Yanshou lead a few rabbits to patrol. After that, she washed up briefly and sat on the headboard to ponder about this matter.

Actually, it wasn't the right time to expose her identity. After all, she was only at the first layer of the spiritual void tier, and her strength was still too weak. However, if she hadn't revealed her identity at that time, it would have been difficult to stop the conflict between the two factions. It seemed that she would have to be extra careful in the future.

This was also why she kept calling her ancestors so high-profile. As more people paid attention to her, those who wanted to make a move would have to be wary..
