

The Yun Family's Ninth Child is an Imp! Chapter 3136

Just as Yun Chujiu was pondering over it, the Meng Yanshou came in eagerly. "Little Fairy, I've asked da Zhuang and the others to keep an eye on it. Let me have a chat with you."

Yun chujiu was well aware of the Meng Yanshou's purpose. It must be that the female rabbit's body was inconvenient to use, so it took the opportunity to beg her.

Sure enough, the Meng Yanshou rambled on for a while, then said slyly, "Little fairy, I've done a meritorious deed this time. Can you help me change the male rabbit's shell?"

Yun chujiu glanced at it. "Those are all male rabbits. I'll give you the body of a female rabbit. Won't it be convenient for you to communicate with each other?"

Meng Yanshou suddenly felt that the world was spinning. Oh God, this black-hearted little girl was so vicious. She actually wanted those stupid rabbits to take away its tens of thousands of years of virginity? Oh God, she was the most vicious woman!

Meng Yanshou revealed a sorrowful and indignant expression. "Little Fairy, I didn't think that you were actually such a little fairy! "To think that I was afraid for you. To think that I couldn't eat or sleep well because of your disappearance. You actually treated me like this. I Don't want to live anymore!"

Meng Yanshou was about to hit the wall and commit suicide when Yun chujiu faintly said, "You hit it! I can help you change into a toad's shell."

Meng Yanshou:" ..."

Damn it! He couldn't live anymore! No Wonder Sheng Zun, that 10,000-year-old single dog, was trapped by her. This guy simply ate people without spitting out their bones!

Meng Yanshou squeezed out a smile. “Little Fairy, I was just joking! By the way, you have been missing for such a long time. Where did you go?”

Yun Chujiu didn't go against Meng Yanshou this time. She simply told him what happened.

Back then, after Yun Chujiu entered the library, she took the jade token that Liu Shun had given her and placed it in the groove at the entrance of the second floor,

she had thought that she would be teleported to the second floor of the library.

Who would have thought that a blinding white light would come. When Yun Chujiu regained her sight, she realized that she was in the middle of a raging fire.

Fortunately, she had the fire repelling pearl. Otherwise, she would have been burned to ashes by now!

She looked around and found that she was in the middle of a volcano, surrounded by boiling lava.

While Yun Chujiu was watching, the little flame impatiently jumped out of her right palm and disappeared in the blink of an eye.

Yun chujiu knew that the little flame must have gone to look for the fire marrow. Usually, there would be fire marrow in places with volcanoes, but the difference was the age.

Yun Chujiu finally climbed out of the volcano after a long time. A few days later, when the Little Flame was full, she left the volcano.

After walking for a few days, she finally met a few cultivators when she arrived at a valley.

Yun chujia quickly rode the giant rabbit to the front of those people and asked about this place.

Unexpectedly, those cultivators looked at each other and then revealed a malicious look. "Little girl, where are your parents? Did you get separated from your family?"

Yun chujia blinked her big eyes. "Yes! I'm lost! Can you uncles take me out of here and help me find my parents?"

"Of course. As long as you are obedient, I'll give you candy." A cultivator with a pointy mouth and monkey cheeks handed Yun chujia an oil paper bag.

Yun chujia happily took the oil paper bag and said with a smile, "Well, littleflower likes candy the most!"

The few of them revealed a smile of success. This little girl was too gullible! ! However, what did a three or four-year-old little girl know? ! This little girl was so pretty. If she was sold in a furnace, a tripod, or a restaurant, she would definitely fetch a good price!
