

The Yun Family's Ninth Child is an Imp! Chapter 3138

Yun chujiu pretended to be curious and asked, "Aunt, who is sister Lan? Is She Xiao Hua's grandmother?"

Li Niang came back to her senses and said perfunctorily, "Nothing, you are called Xiao Hua? Don't call me aunt, call me, call me..."

Li Niang was very troubled. Could it be that she wanted this little guy to call her aunt?

"Could it be that aunt wants me to call you elder sister? Aunt is so young and beautiful, you can also call me elder sister." Hei xinjiu tilted her little head and suddenly said with big eyes.

There was no woman who did not like being praised for being young and beautiful. Li Niang was coaxed by Yun Chujiu until she could not close her mouth. "Then call me aunt. Little Girl, what are the names of your mother and father? When did your mother return to the Mo Residence?"

After Li Niang finished speaking, she felt that it was inappropriate to ask. This little girl was only three or four years old. How could she possibly know how her mother returned to the Mo residence.

Unexpectedly, the little girl said crisply, "My mother's name is Yun Chujiu. My father's name is di beiming. My mother was brought back by the Mo family.

"I heard my mother say that my grandmother's name is Ye Lan. The sister Lan you mentioned must be my grandmother, right? "My mother never believed that my grandmother was dead. It seems that my grandmother is really still alive. That's Great!"

Li Niang was stunned by Yun Chujiu's words. was this... was this a three or four-year-old child? She was practically a demon!

However, sister Lan was such a brilliant person. It was understandable that her granddaughter was so smart.

“Aunt, where is my grandmother? Take Xiaohua to see her!” Yun chujiu held Li Niang’s hand with her little claws and begged.

Li Niang’s eyes reddened. She squatted down and hugged hei xinjiu. She sobbed and said, “Your grandmother has been taken away! You will probably never see her again.”

Yun chujiu narrowed her eyes. Was she taken away? Didn’t she say she was dead? Why was she taken away again?

Although Yun Chujiu really wanted to reveal her identity, she felt that it was better to observe and make sure that Li Niang was reliable.

Li Niang wanted to post the missing person notice but was stopped by Yun Chujiu. “Aunty, my mother and father have many enemies. If they know that I’m here, we will all die. I have my own way to contact them. Aunty, don’t worry.”

Li Niang saw that she was a shrewd person, so she let her be.

In the next few days, Yun Chujiu stayed at Chunxi House.

Only then did Yun chujiu know that the place she was at was over a million miles away from the primordial chaos sect, and it was very remote.

No wonder Li Niang did not have any reaction when she heard her name. One had to know that, cough, cough, she, Yun Chujiu, could be considered a big figure now.

Li Niang cared about Yun chujiu very much. Yun chujiu tried to get information from her several times, but Li Niang rejected her because she was too young. She said that she could only tell her when her mother came.

Yun Chujiu: "..."

Damn it!

She had dug a hole for herself!

There was no other way. After a few days, when Yun chujiu found out that Li Niang was really reliable, she revealed her identity.

Of course, Li Niang didn't believe it at first. How could a living person turn into a little girl!

Yun chujiu could only briefly explain what happened after she returned to the Mo family and how she became the Ye family's daughter-in-law.

After a lot of proof, Li Niang finally believed Yun Chujiu's words.

"Aunt Li, don't be angry with me. I've offended too many people, so I have to be careful,"yun chujiu said in a flattering manner.

Li Niang patted her little head and sighed, "You're smart. You're indeed sister Lan's daughter."
