

## The Yun Family's Ninth Child is an Imp! Chapter 3145

Yun chujiu was extremely anxious. At this moment, the entire ancient ice field was suddenly covered by dark clouds. Wu Yun's heart sank.

F \* ck!

Could it be that he wanted to strike her now?

Yun Chujiu's heart sank. There was no divine weapon here for her to dodge. Wouldn't her life end here?

No wonder he didn't strike her before. It turned out that he was waiting for an opportunity to strike her! This old B \* Stard Tian Dao was really sinister!

Yun chujiu narrowed her eyes. She couldn't just sit around and wait for death. She commanded the giant rabbit to charge forward with all its strength. Perhaps it might discover something ahead.

Unfortunately, due to the enormous pressure, the demon beasts on the ice field had long found a place to hide. Other than large patches of moss and low-level spiritual plants, there wasn't much to discover.

Boom! Boom! Boom!

Continuous heavenly lightning struck Yun Chujiu's body. Yun chujiu had no choice but to keep the giant rabbit and run with her short legs.

Wu Yun in the sky was very arrogant and proud. Let's see where you can hide this time! I must kill you this time!

In the blink of an eye, six hours had passed. Yun chujiu no longer had the energy to continue running forward.

Yun chujiu had no choice but to release Xiao Heiniaoy and Xiao Mogu and let them share a portion of the heavenly lightning. However, it was still of no use. Wu Yun was determined to kill Yun Chujiu this time.

The Nightmare Beast helped Yun chujiu carry on for another hour. Seeing that Meng Yanshou was about to go into hibernation, Yun Chujiu had no choice but to put it back into her spiritual beast pouch.

At this moment, Yun Chujiu's body was already bleeding, and her meridians had reached their maximum capacity.

Yun chujiu bit her lips. She couldn't die. She still had many things to do. The gigolo was still waiting for her to save him, her mother was still waiting for her to save her, and she still had to find a way to see Qi Qi. She had to survive!

Yun Chujiu's divine sense gradually became absent-minded. In her blurry vision, she seemed to see a person appear in front of her. Gigolo?

This, how was this possible?

Didn't his old illness recur?

Di Beiming protected her under his body, continuously forming seals to resist the heavenly lightning.

Only then did Yun chujiu realize that di Beiming's figure was not a physical entity, but a phantom. She subconsciously lowered her head to look at the jade token in front of her chest. Indeed, the jade token had already been shattered.

Yun Chujiu was stunned. She did not crush the jade token. How could the jade token be shattered?

She looked again and saw that her body was covered in blood. It was probably because her blood had soaked the jade token and triggered it.

Suddenly, Yun Chujiu was shocked. The Pretty Boy's life was on the line, and now he had used his spiritual sense to help her fight against the heavenly lightning. Wouldn't the situation be worse?

Thinking of this, Yun chujiu shouted at di beiming's shadow, "Stop! Stop quickly! I can do it myself!"

"Shut up! Hurry up and tidy up your meridians. I can't hold on for long. Don't worry, I Won't Die! It's all that Idiot Xue Wuji's fault for calling you here behind my back. Sooner or later, I'll get even with him!" Di beiming roared.

Yun chujiu shrunk her neck at Di Beiming's roar. She didn't dare to say anything else and could only begin to tidy up her meridians.

Her constitution was special. Although she had bled a lot, she was very lively again very quickly.

Yun chujiu protected di Beiming's shadow behind her and started to provoke Wu Yun. "Hey! You Little B \* Tch in the sky, come and hit me if you have the ability! If you can't kill me today, you are a good-for-nothing!"

As expected, Wu Yun in the sky stopped hitting di beiming's shadow and turned to hit Hei Xinjiu.

After an hour, when Hei Xinjiu could not take it anymore, di Beiming's shadow helped her to resist the Thunder again and let her comb her meridians..
