

The Yun Family's Ninth Child is an Imp! Chapter 3146

Wu Yun was fuming in the sky!

It was not easy for her to run to this godforsaken place, and yet another damn thing came out to help her resist the lightning. She was so mad!

I'll Chop! I'll Chop! I'll Chop!

Unfortunately, Hei Xinjiu was not killed by the Lightning until evening.

"Hey, Wang Banyun, you can't kill me. I advise you to kill yourself! Your survival is a disgrace to the dark cloud world

"Eunuch Yun, do you think your conscience won't hurt when you bully a weak child like me?"

..

Wu Yun in the sky trembled a few times. You are so Shameless! You are still weak? You are a pervert!

Although Wu Yun was furious, the power of the Lightning was almost exhausted. Hei Xinjiu was still alive and kicking. It could only fly away in anger.

Yun chujiu saw that Wu Yun had flown away. She finally heaved a sigh of relief. She had finally passed this hurdle!

She turned to look at di Beiming's shadow and saw di beiming looking at her with an inexplicable expression. His eyes were filled with heartache, guilt, and reluctance.

“Little Jiu, I’ve already found your mother’s whereabouts. She’s trapped in the Yun family of towering sky continent.

“There’s a passage leading to towering sky continent under the Hundred Thousand Feet Ice Abyss. However, your spiritual power is too low right now, so you must not go to towering sky continent rashly. You have to promise me that you’ll go after your spiritual power reaches at least the eighth layer of spiritual space, understand?”

“In addition, I’ve found the antidote for the rejuvenation pill for you. When you see Xue Wuji, he’ll give it to you.”

At this moment, di Beiming’s shadow was already very faint. Yun Chujiu suddenly panicked. “Prince Charming, why are you saying all this? We will meet soon. You can tell me when the time comes.”

Di beiming’s tone suddenly became stern. “Little Jiu, you must remember my words. If you don’t cultivate properly, I will not forgive you!”

Yun chujiu stretched out her hand, but she didn’t catch anything. Di Beiming’s shadow completely disappeared in front of her eyes.

Yun Chujiu’s mind was blank. With trembling hands, she took out Xue Wuji’s voice transmission talisman. “Male god, how... How is he?”

After a long while, Xue Wuji’s low voice was heard. “Little Jiu, di beiming suddenly broke through the hard ice just now. It seems that he used some secret technique. Now, it’s better for you to come over and take a look for yourself.”

Yun Chujiu’s small body shook a little. She had a bad feeling that something must have happened to the gigolo!

After being stunned for a moment, Yun Chujiu summoned a giant rabbit and ran toward the ice abyss.

No matter what happened, the gigolo would not die, definitely not! Even if he really died, she would change her fate and save him!

Suddenly, two level 43 immemorial bears appeared in front of them and blocked their way.

Yun chujiu looked at them coldly. "Get lost!"

The two immemorial bears roared crazily with disdain in their eyes. Was this little human girl crazy? Although she was in the first layer of the ethereal space realm, her small body was no match for them.

Seeing that the two immemorial violent bears did not move aside, Yun Chujiu's body was filled with a violent aura. Her dark eyes were filled with purple lightning.

The two immemorial violent bears subconsciously took two steps back and felt that their spiritual sense was a little absent-minded. Before they could react, Yun Chujiu had already passed them on her giant rabbit and was flying forward rapidly..
