

## The Yun Family's Ninth Child is an Imp! Chapter 3152

When Xue Wuji saw Yun chujiu like this, he became even more worried. How was this nothing? This was something big!

He touched his nose and changed the topic. "Little Sister Jiu, why is there a small purple lightning in your eyes?"

Yun chujiu looked at him blankly. "Brother Wuji, are you kidding me? ! Why is there a purple lightning in my eyes? Wouldn't that make me a Monster?"

Xue Wuji: "..."

An Feng: "..."

There was clearly something, Alright? were they blind?

Xue Wuji coughed. "Little Sister Jiu, what I said is true. Also, how did you get here? Didn't you encounter any powerful monsters?"

Yun Chujiu's eyes were even more confused. "After I was struck by lightning, I can't remember what happened after that. I guess it was because of Da Hua and Little Flame!"

Xue Wuji and an Feng looked at each other. How could they have lost their memories?

"Little Sister Jiu, don't tell me you don't recognize us?"

Yun chujiu looked at Xue Wuji as if she was looking at an idiot. "I just can't remember how I got here. I still remember other things."

Xue Wuji found a reason to avoid Yun chujiu with an Feng, the two of them gathered together and muttered, "Young Master Wuji, looking at Miss Jiu, she seems to have forgotten everything that happened after the purple lightning appeared in her eyes. What's going on?"

Xue Wuji rubbed his chin. "That's hard to say. Maybe it's a seal or something else. As long as she's not possessed, it's fine. "My heart is aching, but if I don't give her some medicine, she'll really rush to towering sky continent. If she wakes up with a paralyzed face, she'll definitely kill me."

An Feng's eyes twitched. When His Majesty was around, this Wuji Young Master kept calling him brother beiming. Now, he was calling His Majesty paralyzed again!

While the two of them were chatting, they saw a dazzling light flash past Yun Chujiu who was sitting cross-legged. She had broken through?

After a while, when Yun chujiu opened her eyes, Xue Wuji asked impatiently, "Little Sister Jiu, you have broken through? which level are you at?"

"Fourth level of the ethereal space realm." Yun Chujiu was in a hurry to see di beiming after she was struck by lightning, so she had been suppressing the spiritual power in her body and didn't break through.

Xue Wuji beamed and said, "Fourth level of the ethereal space realm already? Little Sister Jiu, you will soon reach the eighth level of the ethereal space realm. At that time, your facial paralysis will almost wake up, and the two of you will be together..."

Xue Wuji seemed to have thought of something when he said this, and he did not continue speaking with an unnatural expression.

Yun Chujiu's eyes flashed. "Brother Wuji, is there something you want to tell me?"

Xue Wuji laughed dryly. "It's nothing. You'll find out sooner or later. "Although the enemies who are paralyzed in the immortal Yuan continent have been mostly dealt with, I'm afraid that it will be another tough battle when we reach the towering sky continent. When that time comes, the two of you will probably be separated more than together."

Xue Wuji looked at Yun Chujiu worriedly after he finished speaking. The corner of Yun Chujiu's lips curled up slightly. "Everything will be fine. It's just a matter of time."

Xue Wuji was stunned. Little Sister Jiu's expression was very similar to that of a poker-faced person. Could it be that one who gets close to the enemy is the enemy?

In the next few days, although Yun Chujiu was quiet, she did not seem to be out of the ordinary. However, she spent most of her time staring at di beiming who was inside the ice wall in silence.
