

The Yun Family's Ninth Child is an Imp! Chapter 3154

Yun chujiu looked at Xue Wuji with a faint smile. "Brother Wuji, your current appearance perfectly explains what it means to have no silver in this place! Tell me, what exactly is going on? I might be able to give you some advice."

Xue Wuji's neck was red. "It's nothing, really nothing. Well, the weather is too hot, I'll go there to cool down."

Yun chujiu looked at the ten-thousand-year-old ice on the ground and raised her eyebrows. It seemed that Wu Ji really had someone he liked.

Although she had always wanted to leave Wu Ji's head to Qi Qi, she couldn't stop him from being happy, could she? !

Yun Chujiu wanted to ask for an explanation, but Xue Wuji's face was flushed red. He kept looking for excuses, and in the end, he simply stopped approaching her.

Yun chujiu shook her head. If she didn't say it, then so be it. She would find out sooner or later!

Seeing that Yun Chujiu didn't continue to question him, Xue Wuji leaned against the ice wall and recalled what had happened before..

A few days ago, Di beiming and the other two went to an abyss in the immortal Yuan continent to retrieve something.

After the three of them killed the pursuers, di beiming went in to retrieve the item. An Feng and Xue Wuji stayed behind to guard it.

Since the pursuers had all been killed, and there were no demonic beasts around, Xue Wuji wandered around in boredom.

Seeing the spirit bees flying in the distance, he had a thought. Little Sister Jiu liked to eat honey the most, so he might as well save some for little sister Jiu.

Thus, Xue Wuji said a word to an feng and leaped toward the place where the spirit bees were flying.

To his surprise, Xue Wuji chased the spirit bees further and further away. He was already more than a hundred miles away from where an Feng was.

Xue Wuji gritted his teeth. He had already chased them for so long, so he could not return empty-handed. Therefore, he kept chasing after them.

Finally, when the sun was setting, Xue Wuji found the hive.

However, he did not expect that someone had already beaten him to it. A woman was cutting the beehive with a knife.

“Hey! Hey! Hey! Leave some for me. Don’t take them all away!” Xue Wuji shouted shamelessly.

The woman turned around and saw that she was wearing a small mask. When she saw Xue Wuji, she paused slightly. Then, she looked at Xue Wuji coldly. “First come, first served. Don’t you understand?”

Xue Wuji froze on the spot as if he had been struck by lightning.

Although the woman was wearing a mask, he would never forget her eyes and voice for the rest of his life! It turned out to be the woman, pervert, and wolf who ran away after eating it!

Xue Wuji suddenly felt all the blood in his body concentrate on his face. His face was as red as a monkey's butt. He pointed at the woman in front of him with a trembling finger and said, "You, you, you irresponsible woman, pervert, Wolf!"

The woman's clear and cold eyes were stunned for a moment, but it only took a moment for them to recover. "If you don't have good eyesight, don't come out and embarrass yourself. I don't know you."

After saying that, the woman continued to move her hands. She put all the beehives into her storage ring. Without even looking at Xue Wuji, she was only a shadow after a few flashes.

Xue Wuji was stunned at first, then he chased after her relentlessly. "Stop right there! You slept with me. Are you trying to go back on your word? ! Come back here!"

Xue Wuji quickly caught up with the woman and reached out to grab her arm. The woman nimbly dodged his actions and stared at him coldly. "Are you done? Get lost!"
