

The Yun Family's Ninth Child is an Imp! Chapter 3155

Xue Wuji felt his heart ache for no reason after hearing the woman's words. He roared, "You cold-hearted woman! You Don't recognize me after lifting up your skirt!

Have you forgotten how you raped this young master? This young master has always been as tight-lipped as jade just to find you. How dare you treat me like this? Are you still human? !"

The more Xue Wuji spoke, the sadder he became. His bewitching Phoenix eyes were filled with an injured expression.

The corners of the woman's eyes twitched slightly. Her voice was still cold, but there was a hint of mockery in it. "Are you sure that I raped you? Back then, I was forcefully thrown onto your bed.

Moreover, it was originally a consensual affair. I didn't even shout at a single woman. Don't you think it's embarrassing for a man like you to Cry?"

Xue Wuji's eyes flashed with a trace of guilt, he hugged the woman's arm. "I don't care about men or women. After all, you slept with me, so you're Mine! "I'm clean and pure, but I was slept with by a woman, a pervert, and a wolf. You must follow me in the future to make up for your mistakes."

When the woman heard Xue Wuji's words, her cold expression seemed to crack, she looked at Xue Wuji with an expression as if she was looking at an ignorant child. "It's impossible for me to go with you, but I can make it up to you. Tell me, what kind of compensation do you want.

Do you want money, Talismans, or pills? As long as it's not too much, I'll agree to it. As long as you don't appear in front of me again in the future."

A fierce look flashed across Xue Wuji's eyes. Not going with him? That also depended on whether she had the ability to escape or not.

The woman caught a glimpse of Xue Wuji's fleeting gaze, she could not help but sneer, "I know what you're planning. I can leave this place at any time, but you can't keep me here. The reason I'm telling you this is because you once borrowed me and I once slept with you."

Xue Wuji did not feel embarrassed at all that he had been seen through. He no longer continued to pretend to be crazy and foolish. A bewitching expression flashed across his eyes, "Alright, since you put it that way, it's very simple. Just let me sleep back."

"You're Shameless!" The woman's cold eyes were filled with anger. Obviously, she did not expect Xue Wuji to make such a request.

"I'm Shameless? who flirted with me back then? who praised my good figure? With your flat figure, I'm the one at a disadvantage!" Xue Wuji glanced at the woman, he said with slight disdain.

The woman was so angry that she laughed instead. "Flat from front to back? Even if I'm flat from front to back, I'm still better than you, an embroidered pillow!"

Xue Wuji: "..."

This damn woman was intolerable!

The woman saw the coldness and madness in Xue Wuji's eyes and immediately regretted it. She took out a talisman from her storage ring and was about to activate it when Xue Wuji snatched it away.

The woman had a bad feeling. Just as she was about to turn around and escape, she was restrained by Xue Wuji.

The woman secretly hated that this damn man ran so slowly just now to confuse her. He was really detestable!

Xue Wuji reached out his finger and took off the woman's small mask. When he saw the countless faces that appeared in his dreams, his heart palpitated.

The woman saw Xue Wuji looking at her with infatuation. Her clear and cold eyes were a little uncomfortable. She said coldly, "Let me go quickly. Otherwise, once I regain my freedom, I'll kill you!"

Xue Wuji raised his phoenix-like eyebrows. "You have to understand that you're now my prey. I'll decide how to deal with you."
