

The Yun Family's Ninth Child is an Imp! Chapter 3158

When Yun chujiu saw Xue Wuji leaning against the ice wall with a low-grade spirit stone, she could not help but shake her head and smile. This black-headed chicken was definitely in love!

At this time, it was already very late. Yun chujiu crawled into the tent and stared with wide eyes, but she was not sleepy at all.

When she thought of di Beiming, tears flowed out again, and the pillow was soon wet with tears.

She only fell asleep in a daze in the second half of the night.

In her daze, she saw di beiming lying beside her.

“Little Jiu, don't Cry in the future. You have to be happy.”

“As long as Prince Charming is fine, I will definitely not cry in the future! Did you come out from the ice wall? Are you fine?”Yun Chujiu said in surprise, she reached out to hug di beiming, but her hand went through di Beiming's body. She did not catch anything.

Di beiming raised his hand to touch Yun Chujiu's face, but he could not touch it. He sighed, “There will definitely be a disaster when I unseal the seal. You Don't have to blame yourself.

“After you go back, cultivate well and don't leave the chaos and killing sect easily. Do You Hear Me?”

Yun chujiu nodded desperately. “As long as you're fine, I'll agree to anything you say.”

..

The next day, Yun Chujiu did not come out of the tent until the sun was high up in the sky.

Xue Wuji called out worriedly, "Little Sister Jiu, are you alright?"

Yun chujiu opened her eyes when she heard Xue Wuji's call. Although she already knew that it was a dream in her heart, she still felt a tinge of bitterness when she saw that there was no one beside her.

She had woken up a long time ago, but she was unwilling to open her eyes because she had deceived herself that as long as she did not open her eyes, di beiming would not disappear and would always be with her.

Yun Chujiu was in a daze for a while, then she walked out of the tent.

Xue Wuji saw that Yun Chujiu's expression was gloomy, so he did not say anything.

The three of them had breakfast, and it was time to leave.

"Little Sister Jiu, I will come and see you when my injuries are better. If anyone bullies you, remember that and I will avenge you!" Xue Wuji patted his chest and said confidently.

Yun chujiu nodded and winked at Xue Wuji. "Brother Wuji, remember to seize the opportunity the next time you meet someone! Don't regret it after they run away!"

Yun Chujiu was just making a wild guess. She didn't expect that it would hit Xue Wuji's sore spot.

Xue Wuji said with slight anger, "Cheh! which woman wouldn't be entangled with me and beg me to keep them? Why would she run away?!"

Yun chujia saw that Xue Wuji didn't point it out and just became curious about the woman that Xue Wuji liked. What kind of strange woman could bewitch Wuji Like This?

An Feng handed Yun chujia a storage ring in embarrassment. Yun chujia smiled and said, "It's for Beauty Jin Zhi, right? Don't worry, I'll definitely bring it here safely."

An Feng scratched his head and said, "Thank you very much, Miss Jiu! Actually, it's nothing much. It's just some things that I don't need."

Yun chujia glanced at him and said, "Don't worry, I'll definitely Tell Beauty Jin Zhi the truth. These are all things that you don't like."

An feng was anxious, "I, I didn't mean that."

An Feng saw Yun chujia giggling and knew that he had been tricked. His face turned red and he laughed dryly.

Yun chujia turned to look at di beiming who was inside the ice wall. Her eyes turned red, but she raised her head and held back her tears.

Crying could not solve any problem. She wanted to laugh and keep laughing.
