

## The Yun Family's Ninth Child is an Imp! Chapter 316

The people of Spirit Radiance Sect were instantly elated!

Their originally drooping heads had also become full of spirit!

“HMPH! You think you’re great just because you have Su Yanran?! We have Little Ninth Junior Sister!”

“That’s right! What’s the use of having a higher level?! Although our Little Ninth Junior Sister’s level is low, she’s smart! She obtained ten million points alone! The eight of you and Su Yanran aren’t even that good!”

“No wonder Su Yanran lost to our Little Ninth Junior Sister repeatedly. It’s because her brain isn’t working well anymore! Hahaha!”

...

Su Yanran almost fainted from anger!

She felt that not only the people of Spirit Radiance Sect looked at her with disdain and ridicule. Even those from Heavenly Gates Sect did!

Su Yanran gritted her teeth and shouted angrily, “Hmph! The highest level in the mystic realm is only a Tier Four demonic beast. How could there be a Tier Eight demonic beast? This inner core might have been prepared by Yun Chujiu beforehand.”

Yun Chujiu was immediately unhappy and pointed at Su Yanran. “Hey, why are you so narrow-minded? If no one has ever seen it, does that mean it doesn’t exist? No one has seen the heavens, do you think that that doesn’t exist? You’re just jealous of talent! How shameless!”

Su Yanran was so angry that her face turned red. “Yun Chujiu, don’t change the topic! How can you prove that you obtained this demonic beast inner core from the mystical realm?” She felt that this demonic beast inner core could not have been obtained by Yun Chujiu! How could a trash at the fourth level of the Spirit Enhancement realm kill a Tier Eight demonic beast?

Everyone immediately burst into an uproar!

Su Yanran’s words were not without reason. For thousands of years, there had never been a trial disciple who had encountered a Tier Four demonic beast or above in the mystic realm. This Yun Chujiu taking out a Tier Eight demonic beast inner core all of a sudden really did not make sense!

Elder Qu laughed out loud. “How difficult is that? All the spoils of war in the ancient mystic realm can be verified with the great Void Mirror fragment! If there is no way to verify, wouldn’t our trial be left to our disciple to cheat! Little Jiu, take out the Void Mirror fragment and examine it.”

Yun Chujiu rolled her eyes. “Su Yanran, you wronged me for no reason. If I prove my innocence later, don’t you have to give me some compensation?”

Su Yanran snorted coldly. “Then what if it showed that you’re the one who’s faking it?”

“If I’m the one who’s faking it, then I’ll give you this Tier Eight demonic beast’s inner core! If you’re faking it, you can either give me the fragment of your Void Mirror, or lose two million low-grade Spirit Stones to me!” Yun Chujiu smiled like a little fox.

The inner core of a Tier Eight demonic beast in the world cost at least two million low-grade Spirit Stones, so no one felt anything unusual about Yun Chujiu’s condition.

Su Yanran frowned. She could not make the decision about the Void Mirror fragment, and she did not have that many Spirit Stones. What should she do now?!

Elder Zhang said from the side, "Alright, it's a deal! However, the great Void Mirror garment cannot be used as a bet. Let's bet two million low-grade Spirit Stones."

Yun Chujiu sighed in her heart. She knew that it would not be so easy to trick her! However, it was not a bad idea to get some Spirit Stones and herbs! 'When I'm rich, I don't have to look at that gigolo's face anymore!

Yun Chujiu straightened her body and put her hands behind her back. "Elder Zhang, please take a look. Otherwise, you'll think that we're cheating."

Although she said it nicely, she was actually afraid that Elder Xiao would take the broken pieces of the grand illusionary mirror back.

Elder Zhang took out the Void Mirror fragment and produced a seal. After that, the image of a mirror appeared on the top of the demon core.

"Haha! It's true! That's what I said. How could our Little Jiu cheat? Your Heavenly Gates Sect is really generous. You actually rushed over to give our little ninth girl Spirit Stones!" Elder Qu did not know how to show off now.
